Annual Message to the Board of Aldermen

by Mayor Alvin A. Lucier

Nashua, N. H., January 1, 1936.

Gentlemen of the Board of Aldermen:

We are gathered here this morning for the usual ceremony of swearing into office the duly elected representatives who are to guide the destinies of Nashua during the ensuing two years, and everyone who has been selected by the voters of this City has before him ardnous duties which will call for the exercises of his best judgment and considerable personal sacrifice.

We are faced with two major problems, both arising from the serious maladjustment of the economic system of this country. They are relief and unemployment. These problems are most important and are deserving of our untiring and continuous consideration, for they enter into nearly every phase of city government.

Oct 1 '36 P

RELIEF

During the past several years, there has developed a new type of social order in which the Federal government of this country has seen fit to include, as a proper federal expenditure, untold millions of dollars for the relief of the people of our country. Never before has this country been so conscious of the duty of the government to those who, through no fault of their own, find themselves unable to provide themselves with the ordinary necessities of life. The factors producing this present situation are so many and so complicated that time would not permit even brief discussion of them. Suffice to say, the condition has arisen and it is our bounden duty to meet the situation in an intelligent and a just manner. The problem has given us serious concern in the past, and will continue to do so until conditions have readjusted themselves to a point where we may return to some semblance of a normal civic life.

It is my opinion that relief in the form of a dole is entirely unsatisfactory and injurious to the recipients, except in the cases of those who may be totally unemployable. Man was never made to sit in idleness while the local tax payer provides him and his family with maintenance and support. Men have not been trained that way, and any program designed to provide work instead of dole is entitled to most favorable consideration.

UNEMPLOYMENT

The peak of unemployment in this city was reached about a year ago. Since that time, there has been a gradual but slow absorption of men into private industry. This fact is one of the most hopeful signs that that long-sought recovery is on the way. But how can we deal with a still substantial group of needy employables? There are two courses open to us: (1) acceptance of W. P. A. funds, and (2) special work projects.

W. P. A.

Under the Works Progress Administration, heads of families or other persons who were on relief rolls between May 1st and November 1st of the year 1935 are eligible for work on projects financed by federal funds. The sponsor of any such project contributes an average of twenty per cent of the cost, which in most instances represents the cost of materials, equipment, and some supervision. Employment for about five hundred men and a few women in Nashua is now being given through this governmental agency, and nearly a million dollars is available for continuation of present projects and the institution of new ones as the demand may require. All but the ordinary routine work of the Public Works department during the past several months has been done under the W. P. A. system. This includes the water reservoirs, sewerage and drainage systems, road and sidewalk work, airport, and so on, for the labor group, and the history project, work on the county records, sewing projects, and so on, for the so-called white-collar worker. As I have said before, these workers are limited to those who were on relief during a definite period, with the result that we find a considerable number of persons who do not qualify because they do not fall within the relief group. These persons are made up of those who had employment in industry, those who were thrifty in the past and have expended their savings, and those who, by reason of justifiable self-pride, have, by various means, kept off the relief rolls. These are the persons who are most likely to be re-absorbed in industry first, but are, nevertheless, those for whom we must make a special effort during this period. I therefore expect that this new city government will bend every effort to a happy solution of the problem and have every reason to expect that the Aldermen will cooperate with me in any well-designed and reasonable solution of the problems of these people.

During the past two years, part of my original program has been completed. The Police department has been equipped with police radio, considerable work has been done in the Artillery Pond development, an airport with a suitable hangar has been constructed, miles of street railway tracks have been removed with considerable consequent improvement to the streets, much has been done in repair of public buildings, our sewerage system has been enlarged, many streets, both within and without the city limits, have been repaired and improved, and some new streets have been built. In ordinary times, the amount of work done would have

been spread over a longer period of time, but the need for employment of heads of families has been so pressing that with substantial aid from the Federal government and an honest and fair contribution by the city, this general work in and about the city has exceeded any other two years. It is my purpose, with the support of the city government, to continue this program as long as is necessary.

NEW HIGH SCHOOL

During the latter part of 1935, it became apparent that our Board of Education was sincere and absolutely justified in its urgent request for a new Senior High school. But for the assistance of the Federal government by a grant of forty-five per cent of the estimated cost of such a building, we could not have gone ahead. The need was so great and the assistance offered so generous that the Board of Aldermen voted to authorize a bond issue for the purpose of constructing such a school. The location selected by the joint committee was the South Common, an area of land located at the center of population of our city. A contract for the foundation has been let, and the work is well under way. It is expected that a contract for the construction of the building proper will be let early this year, and the school completed during the year 1937. The addition of this important unit to our school housing system, with a shift of the Junior High pupils into the present High school, will provide adequate housing facilities for the school children of Nashua for a great many years to come.

Despite unusual expenditures, which have been made in order to secure the benefits of Federal assistance, and the issue of three hundred thousand dollars in bonds for construction of a new High school, your city is in excellent financial shape. Its credit standing rates most favorably for cities of its size. Nearly every city department has lived within the budget for 1935, and the city ended the year with a comfortable surplus. Every department is to be congratulated upon the work done during the past two years, and there is every indication that we will continue to progress, to operate efficiently, and to serve our city economically and well.

In conclusion, may I state that there is every indication that business conditions in general and particularly in Nashua are rapidly improving. I look ahead during this, my last term as mayor of Nashua, with a great deal more confidence in complete recovery from our economic depression than I did two years ago today. I believe that a new era of prosperity is close at hand, and it is with renewed confidence and enthusiasm that I expect to continue a pleasant and constructive relationship with the Board, each city department, and the people of this city.

I wish all of you a happy and prosperous New Year.

ALVIN A. LUCIER,
Mayor.

City Government of The City of Nashua, New Hampshire for the Years 1934-1935

Resolutions and Ordinances

RESOLUTION

AUTHORIZING THE FINANCE COMMITTEE TO BORROW MONEY IN ANTICIPATION OF TAXES

CITY OF NASHUA

IN THE YEAR OF OUR LORD ONE THOUSAND NINE HUNDRED AND THIRTY-FIVE.

RESOLVED, By the Board of Aldermen of the City of Nashua:

That the Finance Committee be and they hereby authorized and directed to borrow from time to time during the current municipal year beginning Januray 1, 1935, a sum or sums not exceeding one million ($1,000,000.00) dollars for the purpose of meeting the current expenses of the City and the Mayor and Treasurer are hereby authorized to execute and issue the negotiable note or notes of the City of Nashua therefor.

Every such note shall become due and payable within one (1) year from the date of the loan for which it is issued is incurred; provided, however, that said Finance Committee be and they hereby are authorized to refund by the issue of new notes any of the notes issued as aforesaid such new notes to be executed in like manner and be payable within (1) year after the date of incurrence of the original loan or loans which they are to refund. Such original notes and notes in renewal thereof shall not be payable on demand and shall not be valid unless authenticated by the certificate of the National Rockland Bank of Boston, Massachusetts.

All debts incurred under authority of this vote shall be paid from the taxes of said current municipal year.
Passed January 1, 1935.

WALTER E. GRANT,
President.

Approved January 1, 1935.

ALVIN A. LUCIER,
Mayor.

(A true copy)
Attest:

ARTHUR L. CYR,
City Clerk.

RESOLUTION

ADOPTING RULES AND FIXING THE TIME FOR HOLDING REGULAR MEETINGS

CITY OF NASHUA

IN THE YEAR OF OUR LORD ONE THOUSAND NINE HUNDRED AND THIRTY-FIVE.

RESOLVED, By the Board of Aldermen of the City of Nashua:

That the rules of the Board of Aldermen for 1934 be and the same are hereby adopted for 1935, and that the time for holding regular meetings be on the second and fourth Tuesday of each month at (8) o'clock in the afternoon.

Passed January 1, 1935.

WALTER E. GRANT,
President.

Approved January 1, 1935.

ALVIN A. LUCIER,
Mayor.

Attest: ARTHUR L. CYR,
City Clerk.

RESOLUTION

AUTHORIZING THE MAYOR TO SIGN AN AGREEMENT WITH THE BOSTON & MAINE RAILROAD

CITY OF NASHUA

IN THE YEAR OF OUR LORD ONE THOUSAND NINE HUNDRED AND THIRTY-FIVE.

RESOLVED, By the Board of Aldermen of the City of Nashua:

That the Mayor be and hereby authrized and instructed to sign an agreement with the Boston & Maine Railroad for the purpose of constructing a culvert under the Keene Branch of the Boston & Maine Railroad at the Airport.

Also to sign an agreement with said Railroad for the purpose of constructing a Sewer under the Southern Division of said Railroad at Pennichuck Street.

Passed January 22, 1935.

WALTER E. GRANT,
President.

Approved January 29, 1935.

ALVIN A. LUCIER,
Mayor.

Attest: ARTHUR L. CYR,
City Clerk.

RESOLUTION
RELATIVE TO THE PRE-PAYMENT OF TAXES FOR THE YEAR 1935
CITY OF NASHUA

In the Year of Our Lord One Thousand Nine Hundred and Thirty-five.

RESOLVED, By the Board of Aldermen of the City of Nashua:

That the Tax Collector of the City of Nashua, in accordance with and by Authority of Chapter 66, Section 43, of the Public Laws of New Hampshire, be and hereby is empowered to allow a discount on 1935 taxes for pre-payment of said taxes, such discount to be at the rate of two and one-half per centum per annum from date of payment to December 1, 1935, but no discount shall be allowed for pre-payment after November 1, 1935.

Prepayments may be made before, as well as after, the assessment of taxes for the year 1935, discounts to apply on partial or total pre-payments.

In the event the amount prepaid by a taxpayer exceeds the 1935 assessment when made, said taxpayer shall receive a rebate of the amount overpaid on said tax.

Further, in the event that the tax assessment for 1935 is more in amount than the pre-payment made, said taxpayer shall be charged the additional amount due.

Passed January 22, 1935.

WALTER E. GRANT,
President.

Approved January 29, 1935.

ALVIN A. LUCIER,
Mayor.

Attest: ARTHUR L. CYR,
City Clerk.

RESOLUTION

AUTHORIZING THE MAYOR AND TREASURER TO ISSUE BONDS IN THE AMOUNT OF ONE HUNDRED THOUSAND DOLLARS ($100,000.00) TO PAY FOR ENLARGEMENT AND DEVELOPMENT OF PRESENT SEWERAGE IN THE CITY OF NASHUA.

CITY OF NASHUA

IN THE YEAR OF OUR LORD ONE THOUSAND NINE HUNDRED AND THIRTY-FIVE.

RESOLVED, By the Board of Aldermen of the City of Nashua:

Pursuant to the Provisions of Chapter 59 of the New Hampshire Public Laws, and to the Provisions of a Special Act which was approved May 4, 1923, entitled:

> "An Act empowering the City of Nashua to incur debt to the amount of six (6) percent of its valuation."

the Mayor and City Treasurer are hereby authorized to issue and sell, under the direction of the Finance Committee, negotiable general obligation coupon bonds of the City of Nashua, in the aggregate principal sum of One Hundred Thousand Dollars ($100,000.00).

Said Bonds are to be issued for the purpose of paying for enlargement and development of present sewerage system on the following streets: Kinsley Street, Dunstable Road, Runnells Bridge Road, Gaffney Street, Joffre Street, Edwards Street, Pershing Street, Markar Street, Tampa Street, Intervale Street, Hughey Street, Fairmount Street, Brigham Street, Vilna Avenue, Carver Street, Hutchinson Street, Orlando Street, Miami Street, Pennichuck Street, Concord Street, Dodge Street and Bell Street and the proceeds of the sale of said bonds are hereby appropriated for that purpose.

Said bonds shall be payable to bearer, shall be dated March 1, 1935, shall bear the City Seal, shall be signed by the Mayor and countersigned by the City Treasurer, and there shall be One Hundred (100) bonds of One Thousand Dollars ($1,000.00) each due and payable Five Thousand Dollars ($5,000.00) on the first day of March 1936, Five Thousand Dollars on the first day of March each succeeding year thereafter to 1955 inclusive.

Said bonds shall bear interest at a rate to be fixed by the City Treasurer not to exceed four (4) per cent per annum and said interest shall be paid September 1, 1935 and semi-annually thereafter on the first days of March and September in each year.

Said Bonds shall be general obligations of the City of Nashua, payable as to both principal and interest from ad valorem taxes which may be levied without limitation as to rate or amount on all the taxable property within the territorial limits of the City of Nashua.

Both principal and interest shall be payable at the office of the City Treasurer, Nashua, New Hampshire, or at the holder's option, at the National Rockland Bank of Boston, Massachusetts.

The coupons bear the fac-simile signature of the City Treasurer. None of the said bonds shall be obligatory without the authenticating certificate of the said National Rockland Bank of Boston endorsed thereon.

Passed February 12, 1935.
WALTER E. GRANT,
President.

Approved February 13, 1935.
ALVIN A. LUCIER,
Mayor.

Attest: ARTHUR L. CYR,
City Clerk.

RESOLUTION

AUTHORIZING THE MAYOR TO EXECUTE A DEED FOR THE SALE OF A PARCEL OF LAND BETWEEN PIERCE AND BADGER STREETS ON KINGSLEY STREET

CITY OF NASHUA

In the Year of Our Lord One Thousand Nine Hundred and Thirty-five

RESOLVED, By the Board of Aldermen of the City of Nashua:

That his Honor, Mayor Alvin A. Lucier be and hereby is authorized and instructed to execute a deed for the sale of a parcel of land on Kinsley Street between Pierce and Badger Streets to Theodore Alain and Alma Alain for the sum of eight-hundred dollars ($800.00).

Said lot of land is more particularly described as follows:

A certain tract or parcel of land situated on the Northerly side of Kinsley Street in said Nashua, bounded and described as follows:

Beginning at a stone bound at the Southeast corner of the premises, said bound being at the intersection of the Northerly line of Kinsley Street with the Westerly line of Pierce Street, thence Westerly by said Northerly line of Kinsley Street, a distance of about 95.68 feet to a stone bound at the Easterly line of Badger Street as produced; thence Northerly by said Easterly line Badger Street, a distance of about 76.75 feet to a stone bound at land now or formerly of John T. Murphy, thence Easterly by said land now or formerly of Murphy, a distance of about 96.17 feet to a stone bound in the Westerly line of Pierce Street; thence Southerly by said Westerly line of Pierce Street, a distance of about 76.73 feet to the place of beginning.

Meaning and intending to describe and convey a part of the same premises conveyed to the City of Nashua, January 3, 1934, by Lewis E. Moore, Receiver of the Nashua Street Railway, same being recorded in volume 924, page 525 of the Hillsborough County Registry of Deeds.
Passed March 12, 1935.

WALTER E. GRANT,
President.

Approved March 13, 1935.
ALVIN A. LUCIER,
Mayor.

Attest: ARTHUR L. CYR,

City Clerk.

RESOLUTION

AUTHORIZING THE PURCHASE OF LAND AT WE-MAKE-A-PARK

CITY OF NASHUA

IN THE YEAR OF OUR LORD ONE THOUSAND NINE HUNDRED AND THIRTY-FIVE.

RESOLVED, By the Board of Aldermen of the City of Nashua:

That His Honor Mayor Alvin A. Lucier be and hereby is authorized and instructed to purchase from Joseph Therrien, Estate, 27 lots of land situated on Broad Street at We-Make-A-Park, adjourning the Airport for Two Hundred and Fifty Dollars.

RESOLUTION

AUTHORIZING THE MAYOR AND TREASURER TO ISSUE BONDS IN THE AMOUNT OF ONE HUNDRED THOUSAND DOLLARS ($100,000.00) TO PAY FOR ENLARGEMENT AND DEVELOPMENT OF PRESENT SEWERAGE IN THE CITY OF NASHUA

CITY OF NASHUA

IN THE YEAR OF OUR LORD ONE THOUSAND NINE HUNDRED AND THIRTY-FIVE

RESOLVED, By the Board of Aldermen of the City of Nashua:

Pursuant to the provisions of Chapter 59 of the New Hampshire Public Laws, and to the Provisions of a Special Act which was approved May 4, 1923, entitled:

An Act empowering the City of Nashua to incur debt to the amount of six (6) percent of its valuation."

the Mayor and City Treasurer are hereby authorized to issue and sell, under the direction of the Finance Committee, negotiable general obligation coupon bonds of the City of Nashua, in the aggregate principal sum of One Hundred Thousand Dollars ($100,000.00).

Said Bonds are to be issued for the purpose of paying for enlargement and development of present sewerage system on the following streets: Manchester Street, Lovewell Street, West Hollis Street, Fairmount Street, Lock Street, Gironard Avenue, Perham Street, Intervale Street, Tampa Street, Vilna Avenue, Hillcrest Avenue and Broad Street, and the proceeds of the sale of said bonds are hereby appropriated for that purpose.

Said Bonds shall be payable to bearer, shall be dated November 1, 1935, shall bear the City Seal, shall be signed by the Mayor and countersigned by the City Treasurer, and there shall be One Hundred (100) bonds of One Thousand Dollars ($1,000.00) each due and payable Five Thousand Dollars ($5,000.00) on the first day of November 1936, Five Thousand Dollars (5,000.00) on the first day of November each succeeding year thereafter to 1955 inclusive.

Said Bonds shall bear interest at a rate to be fixed by the City Treasurer not to exceed four (4) percent per annum and said interest shall be paid May 1, 1936 and semi-annually thereafter on the first days of May and November in each year.

Said Bonds shall be general obligations of the City of Nashua, payable as to both principal and interest from ad valorem taxes which may be levied without limitation as to rate or amount on all the taxable property within the territorial limits of the City of Nashua.

Both principal and interest shall be payable at the office of the City Treasurer, Nashua, New Hampshire, or at the holder's option, at the National Rockland Bank of Boston, Boston, Massachusetts.

The coupons shall bear the fac-simile signature of the City Treasurer. None of the said bonds shall be obligatory without the authenticating certificate of the said National Rockland Bank of Boston endorsed thereon.

Passed October 22, 1935.

WALTER E. GRANT,
President.

Approved October 23, 1935.

ALVIN A. LUCIER,
Mayor.

Attest: ARTHUR L. CYR,
City Clerk.

RESOLUTION

A RESOLUTION ACCEPTING THE OFFER OF THE UNITED STATES TO THE CITY OF NASHUA TO AID BY WAY OF CONSTRUCTION OF A NEW HIGH SCHOOL

CITY OF NASHUA

IN THE YEAR OF OUR LORD ONE THOUSAND NINE HUNDRED AND THIRTY-FIVE

RESOLVED, By the Board of Aldermen of the City of Nashua: to aid by way of grant in financing the construction of a new High School,

Be it

Section 1.

That the offer of the United States of America to the City of Nashua to aid by way of grant in financing the construction of a new High School, a copy of which offer reads as follows:

P. W. 42723-294

FEDERAL EMERGENCY ADMINISTRATION
OF PUBLIC WORKS

October 9, 1935

State File No. N. H. 1034

City of Nashua,
Nashua, Hillsborough County, New Hampshire.

Subject to the Rules and Regulations (PWA) Form No. 179, July 22, 1935, as amended to date) which are made a part hereof, the United States of America hereby offers to aid in financing the construction and equipping of a new High School Building and the purchase of the necessary real property in connection therewith (herein called the "Project") by making a grant to the City of Nashua in the Amount of 45 percent of the cost of the Project upon completion, as determined by the Federal Emergency Administrator of Public Works, but not to exceed, in any event, the sum of $270,000.00;

UNITED STATES OF AMERICA,

Federal Emergency Administrator
of Public Works.

By (Sgd) Horatio B. Hackett,
Assistant Administrator.

be and the same is hereby in all respects accepted.

Section 2.

That said City of Nashua agrees to abide by all the rules and regulations relating to such grant a copy of which rules and regulations were annexed to the Government's offer and made a part thereof.

Section 3.

That the Mayor be and he is hereby authorized and directed forthwith to send to the Federal Emergency Administration of Public Works three certified copies of this Resolution and three certified copies of the proceedings of this meeting in connection with the adoption of this Resolution, and such further documents or proofs in connection with the acceptance of said offer as may be requested by the Federal Emergency Administration of Public Works.

.....

.....

The above resolution was seconded by Alderman Messier and was adopted, with the following voting aye: Houde, Morrill, McCaugney, Fowell, Therriault, Gallagher, Sullivan, Messier, Barker, Lemay, Levesque and Benoit—12;

and the following voting nay.....none.

The President thereupon declared said Resolution carried and the Mayor thereupon signed said Resolution in approval thereof.

Passed November 6, 1935.

WALTER E. GRANT,
President.

Approved November 6, 1935.
ALVIN A. LUCIER,
Mayor.

Attest: ARTHUR L. CYR,
City Clerk.

IN THE YEAR OF OUR LORD ONE THOUSAND NINE HUNDRED AND THIRTY-FIVE

RESOLVED, By the Board of Aldermen of the City of Nashua:

That a Special Committee of six Aldermen, one of which shall be the President of the Board and five other Aldermen, to be appointed by the President be and they hereby are constituted a Committee from the

Board of Aldermen to act with a Committee of like number to be appointed by the Board of Education for the purpose of constructing a new High School.

Passed November 12, 1935.

WALTER E. GRANT,
President.

Approved November 13, 1935.
ALVIN A. LUCIER,
Mayor.

Attest: ARTHUR L. CYR,
City Clerk.

RESOLUTION

AUTHORIZING THE MAYOR TO SIGN A QUIT CLAIM DEED GRANTING A CERTAIN PARCEL OF LAND TO DONAT CORRIVEAU

CITY OF NASHUA

In the Year of Our Lord One Thousand Nine Hundred and Thirty-Five

RESOLVED, By the Board of Aldermen of the City of Nashua:

That the Mayor be and he hereby is authorized and instructed to sign a Quit Claim Deed to Donat Corriveau for and in consideration of the sum of one dollar transferring to said Donat Corriveau the following described premises:

A certain tract or parcel of land situated on Russell and Gilman Streets in said Nashua, bounded and described as follows:

Beginning at a stone bound in the Earsterly line of Russell Street, same being at the Southwest corner of the premises herein described and conveyed; thence Northerly by said Easterly line of Russell Street, a distance of about 16.96 feet to a point in the Southerly line of Gilman Street as relocated October 8, 1921; thence Easterly by said Southerly line of Gilman Street and by a curve of five hundred foot radius, a distance of about 28.90 feet; thence continuing by said Southerly line of Gilman

Street, a distance of about 66.52 feet; thence Southerly by lands now or formerly of Fred W. Saunders and A. P. Grandmaison, a distance of about 43.44 feet to land of grantee; thence Westerly by land of said grantee, a distance of about 96.68 feet, to the place of beginning. Meaning and intending to describe and convey the land lying between the Southerly line of old Gilman Street and the Southerly line of Gilman Street as relocated October 8, 1921.

Passed November 26, 1935.
WALTER E. GRANT,
President

Approved November 27, 1935.
ALVIN A. LUCIER,
Mayor.

Attest: ARTHUR L. CYR,
City Clerk.

RESOLUTION

AUTHORIZING ALVIN A. LUCIER, MAYOR OF THE CITY OF NASHUA TO QUITCLAIM LAND ON THE GROTON ROAD TO EDWARD H. WASON

CITY OF NASHUA

IN THE YEAR OF OUR LORD ONE THOUSAND NINE HUNDRED AND THIRTY-FIVE

RESOLVED, By the Board of Aldermen of the City of Nashua:

That Alvin A. Lucier, Mayor of the City of Nashua, be and hereby is authorized to execute Quitclaim Deed to Edward H. Wason.

Any and all right, title and interest in and to a certain tract or parcel of land, with the buildings thereon, situated on the Northerly side of the Groton Road in said Nashua, bounded and described as follows:

Beginning at the Southwest corner of the premises at a point in the Northerly line of the Groton Road. Said point being the Southeast corner of land now or formerly of John C. Terrell; thence Northerly by land of said Terrell, a distance of about 60.00 feet; thence Easterly by land of grantee, a distance of about 55.00 feet; thence Southerly by land of grantee, a distance of about 45.00 feet to point in the Northerly line of said Groton Road; thence Westerly by said Northerly line of the Groton Road, a distance of about 75.00 feet to the place of beginning.

Meaning and intending to describe and convey any and all rights in the above described premises, formerly used for schoolhouse purposes, reference to same being made in deed of Jacob Parkhurst to the Town of Nashua recorded in volume 226, page 65, and also in deed of Omer Rochette to Edward H. Wason recorded in volume 905, page 515 of the Hillsborough County Registry of Deeds.

Passed December 26, 1935.

WALTER E. GRANT,
President.

Approved December 31, 1935.

ALVIN A. LUCIER,
Mayor.

Attest: ARTHUR L. CYR,
City Clerk.

RESOLUTION

AUTHORIZING THE MAYOR AND CITY TREASURER TO ISSUE BONDS IN THE SUM OF THREE HUNDRED AND THIRTY THOUSAND DOLLARS $330,000.00) TO PAY FOR THE ERECTION AND EQUIPMENT OF A NEW HIGH SCHOOL BUILDING ON ELM STREET IN SAID NASHUA

CITY OF NASHUA

In the Year of Our Lord One Thousand Nine Hundred and Thirty-Five

RESOLVED, By the Board of Aldermen of the City of Nashua:

That the Resolution which had first reading on December 10, 1935 be amended for a second reading and final passage to read as follows:

Pursuant to the provisions of Chapter 59 of the New Hampshire Public Laws, as supplemented by, or in conjunction with New Hampshire Laws 1935, Chapter 113, which may be cited as "The Emergency Public Works Act of 1935" and to the provisions of a Special Act which was approved May 4, 1923, entitled:

> "An act empowering the City of Nashua to incur debt to the amount of six (6) per cent of its valuation."

the Mayor and City Treasurer are hereby authorized to issue and sell, under the direction of the Finance Committee, negotiable general obligation coupon bonds of the City of Nashua, in the aggregate principal sum of Three Hundred and Thirty Thousand Dollars ($330,000.00).

Said bonds are to be issued for the purpose of financing the city's share of cost of a Public Works Project (No. N. H. 1034) of erecting a new High School Building on Elm Street in said Nashua (on the South Common lot, now owned by the City of Nashua) and the installation of complete equipment therefor, including desks, chairs, and all other furniture and furnishings, lighting fixtures and wiring the same, of improving the grounds, providing walks and generally of completing said building and premises and rendering the same suitable for school and other public purposes; and the proceeds of said bonds and the money received by the City of Nashua by way of a grant for said project are hereby appropriated for that purpose.

Said grant money shall be applied to the cost of said project, or in case the amount of the loan authorized is in excess of the city's share of the cost, it shall be applied to the loan herein authorized to the extent of such excess or the amount to be borrowed shall be reduced by the amount of such excess.

Said bonds shall be payable to bearer, shall be dated January 1, 1936, shall bear the City seal, shall be signed by the Mayor and countersigned by the City Treasurer, shall be for the sum of One Thousand Dollars ($1,000.00) each, and shall be due and payable serially each year, as follows: Seventeen Thousand Dollars ($17,000.00) on the first day of January each year, 1937 to 1951, both inclusive, and Fifteen Thousand Dollars ($15,000.00) on the first day of January each year, 1952 to 1955 inclusive.

Said bonds shall bear interest at a rate to be fixed by the City Treasurer not to exceed four (4) per cent per annum, and said interest shall be paid July 1, 1936 and semi-annually thereafter on the first days of January and July in each year.

Said bonds shall be general obligations of the City of Nashua, payable as to both principal and interest from ad valorem taxes which may be levied without limitation as to rate or amount on all the taxable property within the territorial limits of the City of Nashua and taaxble by it.

Both principal and interest shall be payable at the office of the City Treasurer, Nashua, New Hampshire, or at the holder's option, at the National Rockland Bank of Boston, Boston, Massachusetts.

The coupons shall bear the fac-simile signature of the City Treasurer. None of the said bonds shall be obligatory without the authenticating certificate of the said National Rockland Bank of Boston endorsed thereon.

Passed December 26, 1935.
WALTER E. GRANT,
President.

Approved December 31, 1935.
ALVIN A. LUCIER,
Mayor.

Report of the Police Commissioners

POLICE COMMISSIONERS — Folio No. 13

REPORT OF THE POLICE COMMISSIONERS — bold italic head

January 30, 1936.

To His Honor, the Mayor, and the Honorable Board of Aldermen of the City of Nashua, New Hampshire:

GENTLEMEN:

Enclosed, please find detailed report of the Chief of Police to this Commission of the number of arrests, disposition of same, and incidental service, etc., of this Department for the year 1935.

The efficiency of the Department has been maintained during the year and we believe that crime has been kept at a minimum for a city of its size.

The Department has five automobiles, including the patrol wagon, and we have a garage which holds only two cars, necessitating the equipment being left to the inclemency of the weather, making it next to impossible to keep the cars in proper condition during the extreme cold weather of the winter. It is hoped by this Commission that your Honorable Board may see its way clear to make a special appropriation for the erection of a suitable garage for the housing of the automobiles.

Respectfully yours,

OTTIS E. MERCER,
Chairman,

J. HOWARD GILE,
HENRY A. LAGASSE.

Report of the Chief of Police

To the Board of Police Commissioners of the City of Nashua:

GENTLEMEN:

I hereby submit the Annual Report of the Chief of Police for the year ending December 31, 1935.

The total number of arrests for the year was 1254; of these, 1206 were male and 48 were female.

Report of the Fire Commissioners

To the Honorable Mayor and Board of Aldermen:

GENTLEMEN:

We respectfully submit to you the report of the Fire Department for the year ending December 31, 1935.

The Board of Fire Commissioners, consisting of H. C. Lintott, C. H. Austin and W. A. Molloy met on January 1st and organized by electing H. C. Lintott as Chairman, C. H. Austin as Purchasing Agent and W. A. Molloy as Clerk.

Fire Prevention Week, October 9th to 16th, was fittingly observed by the Department.

INSPECTIONS BY THE DEPARTMENT

Officers and Members of the Department continued their inspections of buildings, cellars, yards, etc., to guard against the accumulation of rubbish and inflammable materials also to note any conditions liable to cause fire. We wish to thank the Merchants and Property owners for their co-operation in this regard.

These inspections allow the members of the Department to familiarize themselves as to the nature of the contents and the construction of the different buildings in the districts inspected.

FIRE ALARM TELEGRAPH SYSTEM

The fire alarm system is in first class condition considering its age, etc. A set of rectifyers and new batteries were installed during the year. Two new boxes were also added, one at Summer and Norton Streets, and the other at Spring and Eldredge Streets.

WATER RESERVOIRS

Work on these reservoirs has continued through the whole year and is nearly finished, excepting the grading and fencing of some that were dug during the winter months. Forty-seven men have been working on these and the Federal Government has been paying them their wages and all the City had to furnish was the materials with wich they had to work with. When these reservoirs are finished, the City will be protected as well, if not better, than any place in this part of the Country. The land owners where these are located have co-operated in every way to help in the construction and maintenance of them. During the winter, the ice was chopped out every third day so that in case of need there would be very little delay in getting the suctions into the pools.

In conclusion, we wish to thank His Honor, the Mayor, the Members of the Board of Aldermen, for their co-operation and interest in our Department, to the Board of Public Works and the Superintendent of Streets, to the Chief of Police and the Members of the Police Department, and to the Superintendent of the Water Works and its employees, and to the employees of the Telephone Company, also to the Public Service Company and its employees and to the Welfare Department for valuable services rendered.

The Officers and Members of the Fire Department have our commendation and sincere thanks for the efficient and faithful manner in which they have performed their duties.

Respectfully submitted,

H. C. LINTOTT,
C. H. AUSTIN,
W. A. MOLLOY,
Fire Commissioners.

Report of the Board of Public Works

To the Honorable Board of Aldermen:

GENTLEMEN:

The report of the Board of Public Works for the year 1935 is hereby submitted.

The following public improvements were made during the year 1935:

SIDEWALKS & CURBS

4895.12 square yards of cement concrete sidewalks were constructed. This is equal to 1.66 miles of walk five feet wide.

1967.80 linear feet of cement curb were constructed.
180.80 linear feet of cement wall were constructed.
74.70 linear feet of cement steps were constructed.

This project provided work for an average of eighteen men for over six months. The Board was able to care for nearly all applications on hand for new walks this year.

ASPHALT PAVEMENT

9262.28 square yards of Asphalt Pavement were constructed on the following streets:

Lock St. (from Norton to Perham St.)

Blossom St. (from Ritter to Sawyer St.)

Jackson St.

In addition to the above, work was started at the southern end of Allds Street. This work should be completed in 1936.

SEWERS

19518.99 linear feet of sewers constructed. This is equal to 3.697 miles of Sewers.

105 Manholes were constructed.
117 Catch Basins were constructed.
131 Private House connections.

The new sewers were constructed on the following streets:

Fairmount Heights projects:

Brigham St.	250.00 feet of 12" Akron Pipe
Carver St.	424.00 feet of 18"-8" Akron Pipe
Fairmount St.	2111.50 feet of 18"-15"-12" Akron Pipe
Hughey St.	875.17 feet of 18"-8" Akron Pipe
Hutchinson St.	700.00 feet of 15"-12" Akron Pipe
Hillcrest Ave.	176.00 feet of 12" Akron Pipe

Tolles St.	37.00 feet of 12" Akron Pipe
Woodward Ave.	54.00 feet of 10" Akron Pipe

The following were started in 1934 and completed during the year 1935:

Concord St.	198.70 feet of 12" Akron Pipe
Lock St.	976.90 feet of 36" Cement Pipe

We were unable to complete the following projects during the year 1935, so we will complete them this year.

Manchester St.	1725.00 feet of 15"-12" Akron Pipe
Beauview Ave.	150.00 feet of 12" Akron Pipe
W. Hollis St.	395.00 feet of 12" Akron Pipe

AIRPORT

During the past year many improvements have been made at the Municipal Airport; a modern brick hangar and administration building was erected with E. R. A. labor more of the landing field was cleared up and graded; a new entrance has been constructed from the Milford Highway into the airport; hazards on adjoining properties are being removed and studies are being made for proper drainage hard surfaced runways and lighting equipment these when completed will make Nashua's Airport the outstanding field in the State.

STATE AID ROADS

During the last year in cooperation with the State Highway Department we have been able to tar most of our Class V Roads.

At present we are working on a project with the W. P. A. to widen said roads, eliminate dangerous curves and grades. When carried to completion our City will be surrounded by wide, safe roads connecting our suburban districts to our Trade Center.

TARRING AND GRADING STREETS

During the year 1935 we have repaired, graded and tarred the following streets:

Lake Street, Kinsley Street, Dunstable Road, Runnells Bridge Road, Wason Ave., Fairview Ave., Euclid Ave., Joffre Street, Marker Street, Pershing Street, South Chestnut Street, Fowell Ave., Park Ave., Stevens Street, Monadnock Street, Ashland Ave., Reservoir Street, Ferry Road and part of Manchester Street. Sewers had been constructed in the above streets, thereby necessitating these repairs. Other streets repaired and tarred were Nye Ave., Pine Street, Pasadena Ave., Verona Street, Manatee Street, Sullivan Street, East Hollis Street and others.

At the request of the Chamber of Commerce we have regraded and tarred a portion of the North Hollis Road at considerable expense. We were unable to tar many other streets due to lack of funds. Tarred streets must be treated every few years, otherwise they break up and as a result the entire investment on said street is soon lost. We have patched up as many of these as possible before the cold weather. We hope during the coming year to be able to give many of our streets a seal coat of tar treatment.

We have repaired many streets especially on the outskirts which were in very bad condition. During the coming year we expect to improve most of these with the cooperation of the W. P. A. These projects are already under way.

CLEANING AND SNOW REMOVAL

We keep a crew constantly at work at cleaning our streets using a motorized Street Cleaner and also hand labor. Snow removal has been a costly undertaking during the past year. Except during the "Big Storm" we were able to keep our streets open almost all the time. On that occasion by the use of all available equipment and men we were able to open the streets within a few days. Many of our neighboring communities were snowed in for over a week. Sanding due to icy condition of streets is another large expense to the City. Whenever icy conditions arise we endeavor to take care of our most travelled way and as many other dangerous places as possible. The increasing demand for this and snow removal service for street on the outskirts of the City will require more equipment and men.

RUBBISH

Paper collection was let out to a contractor during the year. Rubbish collections were taken care of with city teams and men. The days following holidays, the Department sends out additional teams, and has been able to care for this service satisfactorily.

DUMPS

The problem of the City's dumps is far from satisfactory. This dumping of garbage, decayed meat and vegetables, etc., have created a problem. Most of this dumping is done after working hours and the odors about the dump is a menace to health, and threatens to have this dumping privilege shut off. Unless the residents of Nashua cooperate with the department the tax payers may have to meet the cost of a substitute.

SIGNS

Erecting and maintenance of stop signs has been given to this department during 1935. When we took over this work, over three quarter of these signs were damaged. These have all been repaired and additional new ones have been installed. In the near future we hope through the use of W. P. A. workers to be able to care for the placing and repairing of Street "Name Signs." Application for such a project has already been made by his Honor the Mayor with the proper Authorities.

TREES

The Board, as tree warden for the City of Nashua, has been called upon to remove many trees which had become dangerous to the public welfare.

SEWERS AND CATCH BASINS

Sewer and catch basin repairs and maintenance has been taken care of as well as possible with reduced funds. Sand used on streets in winter washes into the catch basins. This and other dirt we must remove in the spring, otherwise it would obstruct the sewerage system. In the fall we have to clean these to provide drainage for our winter season. Dry weather such as we had during last summer was mainly responsible for bad odors arising from our sewers.

BRIDGES AND CULVERTS

We have been called upon to replace several culverts which were damaged by rains last year. The number requiring such replacement was much larger than expected and resulted in a much larger expense to the Department.

Report of the Zoning Board

Nashua, N. H., February 7, 1936.

To His Honor the Mayor and Board of Aldermen, City of Nashua, N. H.:

GENTLEMEN:

The following is the annual report of the Zoning Board of Adjustment for the year ending December 31, 1935.

During the past year, fifteen (15) public hearings were held; sixty-four (64) irregular requests came before the Board for decision and these were disposed of as follows:

Petitions granted in full	55
Petitions granted for one year	1
Petitions granted for three weeks	1
Petitions denied	4
Petitions withdrawn	3

85.9 per cent of the irregular cases acted upon by the Board were granted, either in full or with reasonable conditions applied to them, so that the purpose of the petitioner was accomplished yet, the provisions of the ordinance safeguarded.

6.25 per cent of the requests were considered of a more serious nature and had they been granted would have resulted in great injustice to property owners in the immediate neighborhood and would have a tendency to destroy those benefits provided by the Zoning Ordinance for the general welfare of the community.

4.7 per cent of the requests were withdrawn so that no action by the Board was necessary.

1.56 per cent of the requests were granted for one year and the same percentage for a period of three weeks.

A classifications of the requests for variations is as follows:

Variation of the front yard requirements	6
Variation of the rear yard requirements	13
Variation of the side yard requirements	3
Variation of the side and rear yard requirements	7

Variation of the front and side yard requirements	1
Variation of the use regulations "A" Residence District	9
Variation of the use regulations "B" Residence District	6
Variation of the use regulations "C" Residence District	10
Variation of the use regulations Light Industrial District	2
Extension of non-conforming use "A" Residence District	3
Extension of non-conforming use "B" Residence District	1
Extension of non-conforming use "C" Industrial District	2
Extension of non-conforming use Light Industrial District	2
Variation of the lot area requirements	5
Resumption of a non-conforming use	1
Variation of the location requirements	1

As is shown by the above classification, 42.8 per cent of the requests were for variations of the open spaces required; 8.58 per cent for the extension of uses that had been established at the time of the adoption of the ordinance and were non-conforming; 38.62 per cent were for variations of the use regulations as established by the Zoning Ordinance; 7.14 per cent were for variations of the lot area requirements; 1.43 per cent for the resumption of a non-conforming use; 1.43 per cent for the variation of location regulation.

In administering the duties of the Board full consideration of the fact that the petitioners, in order to secure an appropriate improvement of a building or lot of restricted area, size or shape has been given, bearing in mind that such improvement should be in accordance with the general purpose and intent of the ordinance, and substantial justice done.

Respectfully submitted,

HENRY LAGASSE,
Chairman.
W. H. CADWELL,
S. J. POIRIER,
JAMES H. GLYNN,
KOSTOS G. BOUZOUKIS,
Clerk.

Report of Board for Examination for Plumbers

Nashua, N. H., January 29, 1936.

To His Honort he Mayor and Board of Aldermen, City of Nashua, N. H.:

GENTLEMEN:

The Board for the Examination of Plumbers respectfully submits its annual report for the year ending December 31, 1035.

The membership of the Board was as follows:

Dr. Deering G. Smith, Chairman of the Board of Health, Fred L. Clark, City Engineer, and Eugene L. Carrier, a plumber of many years practical experience, and was organized with Eugene L. Carrier as Chairman and Fred L. Clark as Secretary and Plumbing Inspector. During the year there were forty-three (43) Master or Employing and fifty-one (51) Journeymen plumbers licensed by the City of Nashua through this Board this was a loss of five in number from the previous year.

Regular monthly meetings were held the first Monday of each month and written and practical examinations, to determine the fitness of applicants for plumbing licenses, were conducted as often as was necessary.

During the year 1935 plumbing inspections were made in three hundred, seventy-two (372) buildings and the total number of inspections made was six hundred, twenty-four (624). This was an increase over 1934 of 38 per cent.

We recommend amending our plumbing ordinance so that its provissions will include the State Board of Health requirements and the provisions of the health and plumbing laws passed at the last session of the Legislature; we also feel that the Board should be given more authority in the interpretation of certain sections of the ordinance, over which at the present time we have no jurisdiction.

Respectfully submitted,

EUGENE L. CARRIER, *Chairman.*
DEERING G. SMITH, M. D.
FRED L. CLARK, *Secretary.*

Report of the Park Commission

Nashua, N. H., January 1, 1936.

To His Honor the Mayor and Board of Aldermen:

The Park Commisison submit their Annual Report for the year ending December 31, 1935.

Annual Appropriation	$8,000.00	
Interest on Bond	400.00	
Sale of Shrubs, Wood, etc.	46.73	
Rent from North Common and Concessions	251.01	
		$8,697.74

Disbursements

Payroll	$6,508.73	
W. P. A.	2.70	
Office Expenses	97.00	
Repairs	211.73	
Flowers	37.08	
Insurance	351.38	
Water	89.04	
New Equipment	1,683.15	
Supplies	472.47	
Miscellaneous	36.34	
Total Expenditures		$9,489.58
Deficit		$791.84

Respectfully submitted,

N. A. JACKSON, *Chairman.*
F. X. TARDIFF,
F. J. FINNING, *Clerk.*

Report of the Superintendent of Parks

To the Board of Park Commissioners:

GENTLEMEN:

The year 1935 has been devoted mostly to the performance of our routine duties of caring for our lawns, trees, shrups, flowers and equipment. I feel that we are justified in taking pride in the fact that our grounds and equipment have been maintained in a creditable manner with a very reasonable expenditure.

We found it necessary to purchase some new equipment. A Dodge 1 1-2 ton dump truck replaced a 1927 Chevrolet which had outlived its usefulness. A modern high pressure spraying machine was bought and mounted on the Chevrolet chasis. We were thus enabled to spray all the elm trees in our parks and along our streets and highways, at a very low cost. Previously we have had to rent a spraying machine, as the City did not own one, and hire a pair of horses. Then a great deal of time was required to travel from one part of the city to another with a heavy horse horse drawn vehicle. It will now be possible, if it should seem desirable to do so, to spray the suburban roadsides to control tent caterpillars and gipsy moths, at a comparatively low cost.

Some new equipment is still needed. A power lawn mower sharpener would save us some money and keep our mowing equipment in better condition. A Rototiller to cultivate our nursery and to prepare the soil for seeding in grading operations, would be a time and labor saver. We now have a well stocked nursery containing about 500 elms, maples and other deciduous trees, 600 evergreen trees of different varieties, and several hundred shrubs and perennial plants. This is too large to cultivate by hand, and it is often difficult to get a horse for the purpose at the proper time.

The New Hampshire E. R. A. did some work on the Artillery pond athletic field during the Winter and Spring months, but for some unknown reason operations have now been suspended for several months.

A W. P. A. project has provided a crew of 20 men for Park beautification during the month of December, and the work will be continued in 1936. These men have been employed at Greeley Park grading a section of roadside east of the Daniel Webster highway, and thinning and pruning the grove on the banks of the Merrimack river.

I believe this covers in a general way the work done during the past year. No major improvements were attempted because of the necessity of economizing whenever possible.

Respectfully submitted,

WILLIAM R. KIRKPATRICK,
Superintendent of Parks.

Report of the Recreation Commission

Mayor and Board of Aldermen:

GENTLEMEN:

The Recreation Commission sponsored four activities for the year 1935, namely Playgrounds, Swimming Pool, Tennis, and Skating.

SKATING

The Skating facilities were doubled for 1935. Two new rinks were installed at Marshall Street and Atherton Avenue. With the other two at North and South Common, skating was offered to the people at four widely separated localities, thus relieving the congestion at South Common.

Continued cold weather made skating the best in years.

SWIMMING POOL

Mr. George Mizo was in charge of the pool for the past year

The attendance and receipts for the year showed an increase over that of the previous year.

New benches were built around the retaining wall.

During the season two preliminary swimming meets were held with the finals coming in August.

The bathing beach needs to be filled in with sand before the 1936 season opens, as it is washed out badly at the present time.

TENNIS

There is a need of having the other courts at South Common surfaced as two courts are not sufficient to take care of all those who wish to play.

Six playgrounds were in operation for the past year. Ward 3 playground was reopened after a lapse of a year, the Laton property being secured for this.

The mill property on Atherton Avenue was graded and put in shape to take care of this locality for the coming year.

The other grounds were Crown Hill, North and South Common, Blossom Street and Nashua Mills.

The season, normally calling for eight weeks, was extended to nine, due to the late opening of the schools.

Activities carried on were as follows: Senior and Junior baseball for boys. Girls baseball, Junior and Senior Girls Volley Ball and Bean Bag. Senior and Junior Horseshoes for Boys. Handcraft for both Boys and Girls. Boys and Girls Junior and Senior Track Meet, Tennis, Picnics, Hikes and Games.

The attendance on the different grounds, figured on per person—period basis was as folows:

Nashua Mills	8723
Blossom Street	9240
Crown Hill	7085
North Common	5427
South Common	12688
Indian Head	7715
Total	50879
Swimming Pool attendance	22,000

A boy and girl worker were in charge at each ground.

The Handcraft activities were under the direction of a special teacher.

Respectfully submitted,

May 11, 1936 R. A. PENDLETON.

FINANCIAL STATEMENT OF RECREATION COMMISSION FOR 1935

Income from Bonds	230.00	
Collections	105.35	
		$1,145.00
Charged to 1936		253.35
		$1,398.35

PERPETUAL CARE FUNDS

Public Utility Bonds	$4,000.00
Second National Bank	2,057.04

Respectfully submitted,

ARTHUR H. COTTON,

Secretary, Board of Trustees.

Report of the City Solicitor for the year 1935

To the Mayor and Board of Aldermen of Nashua, N. H.:

GENTLEMEN:

I submit the following report for the year ending December 31, 1935.

The year 1935 was an exceptionally busy year for the office of the City Solicitor.

A great number of claims against the City were disposed of without suit and a number of cases tried in Superior Court were amicably tried and adjusted; so that at the end of the year there were but one or two cases left in the court pending against the City. Advice was given to the several departments of the City, and opinions rendered on many questions.

Respectfully submitted,

W. ANTHONY JOYCE,
City Solicitor.

Report of City Physician

To His Honor the Mayor and the Board of Aldermen:

GENTLEMEN:

During 1935, the duties of the City Physician comprised approximately 1300 office calls and 400 house visits.

Insane commitments and examination of applicants to the police department were done as in the past.

Respectfully submitted,

E. J. FRASER, M. D.
City Physician.

Report of the Board of Health

To His Honor, the Mayor and Board of Aldermen:

Gentlemen:

The Board of Health herewith submits its report for the year 1935.

The improvement of the physical condition of the pupils in the parochial schools was our aim this year. The school inspection by Doctors W. D. Thibodeau and W. G. Wroblewski was continued. Many defects were found and most of these were corrected, or treated. No treatment was given by the school physicians, but every effort was made to have the treatment given by the family physician. Some way should be found to provide glasses for the 62 children with defective vision who are not wearing glasses, and whose parents in most cases are unable to buy them.

In May 1935, a dental clinic was established through the cooperation of the Board of Education and the Community Council. Dr. W. H. Weston was of great assistance in the organization of this clinic, assisting us in many ways. Doctors A. J. Levesque and G. O. Marion were chosen school dentists, and did excellent work throughout the year. Our attention was centered on the first grade pupils, the hope being that in time the teeth of all pupils in the schools would be improved. No treatment was given except to children whose parents stated that they were unable to pay a dentist for treatment.

Through he cooperation of the State Board of Education audiometer tests were made of the children's hearing. Many defects were found, and corrections were made wherever possible. Where this was impossible, the children with impaired hearing were given seats in the front of the class rooms.

Early in the year, diphtheria appeared in our city. The disease did not become epidemic, however, because of the large number of children who had been immunized against diphtheria. 1670 additional children were given the diphtheria toxoid during the year, making a total of 7,818 children who have been given this treatment and immunized against diphtheria since 1928. This has had a marked effect on the number of cases of diphtheria occurring in Nashua. The yearly average prior to 1930 was twenty-two cases, and since that date it has been five cases.

The infant mortality rate appeared to have increased in 1934. Upon investigation it was found that this was statistical raher han actual. All still-births and deaths occurring in babies under three days old, were investigated. It was found that many of these death certificates were improperly recorded. A similar check has been made of the 1935 deaths, and as the report shows the number of deaths under one year is less than in 1934, and accordingly our infant mortality rate is lower.

Considerable attention was given to the cleansing and sterilization of eating utensils in the restaurants. It was found that beer glasses were only being washed once a day in some places. Frequent inspections were made to see that the state law requiring the use of very hot water or a chlorine solution was being observed.

The tuberculosis and venereal disease clinics continued to do their excellent work in which they had our full cooperation.

We wish to thank Miss Irene McAvoy for the extra work that she did during the illness of Miss Clara Morin. Our clerk and her assistants, our nurses, inspectors and garbage collectors have continued to do excellent work for which we wish to commend them. We especially wish to express our appreciation to Mrs. Mabel T. Cooper, Thomas F. Cullen and Albert E. Smith for the excellent service that they have given the city during so many years.

We append a list of the causes of the deaths occurring in the city and the reports of the heads of our departments

Respectfully submitted,

DEERING G. SMITH, M. D., Chairman
P. J. McLAUGHLIN, M. D.
ROMUALD P. LETENDRE

INTERNATIONAL LIST OF CAUSES OF DEATH

1. INFECTIOUS AND PARASITIC DISEASES

9.	Whooping Cough	3
10.	Diphtheria	3
11.	Influenza	2
	(b) Without respiratory complications specified	5
15.	Erysipelas	3
16.	Acute poliomyelitis and acute polioencephalitis	1
23.	Tuberculosis of the respiratory system	11
34.	Syphilis	1

II. CANCERS AND OTHER TUMORS

45.	Cancer and other malignant tumors of the buccal cavity and pharynx	3
46.	Cancer and other malignant tumors of the digestive tract and peritoneum	23
47.	Cancer and other malignant tumors of the respiratory system	3
48.	Cancer and other malignant tumors of the uterus	4
50.	Cancer and other malignant tumors of the breast	3
53.	Cancer and other malignant tumors of other or unspecified organs	1
54.	Nonmalignant tumors	1
	(b) Nonmalignant tumors of the uterus	1
55.	(d) Tumors of the brain (nature unspecified)	1
	(e) Tumors of other organs (nature unspecified)	1

III. RHEUMATIC DISEASES, NUTRITIONAL DISEASES, DISEASES OF THE ENDOCRINE GLANDS AND OTHER GENERAL DISEASES

56.	Acute rheumatic fever	2
59.	Diabetes mellitus	9
68.	Diseases of the adrenals (Addison's diseases, not specified as tuberculosis)	3

IV. DISEASES OF THE BLOOD AND BLOOD-MAKING ORGANS

71.	Anemia	1
72.	Leukemias and pseudoleukemias	1

V. DISEASES OF THE NERVOUS SYSTEM AND OF THE ORGANS OF SPECIAL SENSE

79.	Meningitis	2
81.	Other diseases of the spinal cord	1
82.	(a) Cerebral hemorrhage	34
	(b) Cerebral embolism and thrombosis	1
	(d) Hemiplegia and other paralysis, cause unspecified	1
87.	Other diseases of the nervous system	2

89.	Diseases of the ear and of the mastoid process	1
(b)	Diseases of the mastoid process	1

VI. Diseases of the Circulatory System

90.	Pericarditis	1
91. (a)	Acute endocarditis	1
92.	Chronic endocarditis, valvular diseases	21
(b)	Endocarditis, unspecified (45 years and over)	2
93. (a)	Acute myocarditis	3
(b)	Myocarditis, unspecified (under 45 years of age)	1
(c)	Chronic myocarditis and myocardial degeneration	19
(d)	Unspecified	27
94.	Diseases of the coronary arteries and angina pectoris	12
(b)	Diseases of the coronary arteries	8
95. (b)	Other diseases of the heart	9
97.	Arteriosclerosis (diseases of the coronary arteries excepted)	3
99.	Other diseases of the arteries	1

VII. Diseases of the Respiratory System

107.	Bronchopneumonia (including capillary bronchitis)	7
108.	Lobar pneumonia	13
109.	Pneumonia, unspecified	1
110.	Pleurisy	1
111.	Congestion, edema, embolism hemorrhagic infarct, and thrombosis of the lungs	2
(b)	Others under this title	1

VIII. Diseases of the Digestive System

115. (b)	Diseases of the buccal cavity and adnexa and of the pharynx and tonsils (including adenoid vegetations)	2
117.	Ulcer of the stomach and duodenum	1
(a)	Ulcer of the stomach	1

Deaths under 1 year, during three summer months	11	6	10	14	7

Report of the Health Inspector

Nashua, N. H.

To the Nashua Board of Health:

GENTLEMEN:

I hereby submit the following report as Health Inspector of the City of Nashua from January 1, 1935 to January 1, 1936:

Houses inspected	9
Plumbing and drainage inspections	26
Privy and vault inspections	18
Yard and alley inspections	25
Barber shops inspected	52
Restaurants inspected	75
Bakeries and bakery wagons inspected	12
Food stores inspected	164
Complaints investigated	82
Dumps inspected and ordered abated	5
Water sent to Concord for analysis	5
Nuisances ordered abated	23
Common drinking cups ordered abated	2
Lying-in-hospitals inspected	2
Infant asylums inspected	10
Ice cream plants inspected	3
Boarding houses inspected	9
Hotels inspected	5
Drug stores inspected	21

During the year I attended to the various duties of Health Inspector, and worked in conjunction with the Milk and Meat Inspectors.

The spring "Clean-up Campaign" was conducted with the cooperation of the Board of Public Works. Most householders assisted in the campaign and the appearance of the city was improved.

The usual inspection of all food establishments was made, and much time was spent with the restaurants selling beer. The proper cleansing and disinfection of all utensils particularly glasses was insisted upon. I had the full cooperation of the state inspectors in the work, and I wish to express to them my appreciation.

I thank the members ond the other employees of the board for their courtesy and assistance during the year.

Respectfully submitted,

THOMAS F. CULLEN,

Health Inspector.

Report of the Milk Inspector

Nashua, N. H.

To the Nashua Board of Health:

GENTLEMEN:

I respectfully submit the following report as Milk Inspector from January 1, 1935 to January 1, 1936.

Number of health certificates issued to food handlers	97
Number of stores licensed	147
Number of dealers licensed	26
Number of producer-dealers licensed	12
Number of farms supplying milk	190
Number of farm inspections	155
Number of milk plant inspections	100
Quarts of milk rejected, temperature over 50° F.	290

EXAMINATION OF MILK

Samples collected from dealers:

	Satisfactory	*Unsatisfactory*
Bacteria Count	869	61
Butter Fat	767	6
B. Coli	813	21

Samples collected from milk producers:

Bacteria Count	433	40
Butter Fat	50	1
B. Coli	430	12

The quality of the milk sold continues to be excellent. The producers and dealers are striving for perfection and have cooperated with me in my work.

Respectfully submitted,

ALBERT E. SMITH,

Milk Inspector.

Report of Meat Inspector

To the Nashua Board of Health,

Nashua, N. H.

GENTLEMEN:

I respectfully submit my report as Meat Inspector of the City of Nashua from January 1, 1935 to January 1, 1936.

The following animals were inspected and slaughtered:

					Condemned		
	Cows	Calves	Lambs	Hogs	Cows	Calves	Hogs
January	37	83	83	44	1	4	3
February	36	135	61	14	1	7	1
March	17	57	62	....	1	3	....
April	12	48	64	....	1	1	....
May	14	55	95	....	1	2	....
June	14	64	59	....	....	3	....
July	11	71	83	....	....	2	....
August	13	56	82	....	1	2	....
September	18	54	68	3	1	3	....
October	20	54	67	1	....	2	....
November	16	39	67	6	....	....	....
December	16	71	79	11	1	3	....
TOTALS	224	787	870	79	8	32	4

The local native beef offered for 1935 was very much below the usual amount, due mostly to high prices, which curtailed the demand.

From what I have observed in different cities that I have visited, conditions in our city are very satisfactory.

I extend my sincere thanks to all members of the board for their cooperation and help during my stay in office as their Meat Inspector.

Respectfully submitted,

ALDEN L. WRIGHT,

Meat Inspector.

Report of the Board of Health Nurses

Nashua, N. H., December 30, 1935.

Nashua, N. H.

To the Nashua Board of Health,

GENTLEMEN:

I herewith submit the following summary of the work that I did as part-time nurse in the Sacred Heart School from January 1, 1935 to January 1, 1936.

Contagious disease inspection was made on all pupils, and all absentees were inspected before being readmitted in school.

Children weighed and measured	
Children excluded temporarily	28
Home calls (absentees)	200
Home calls (follow-up)	85

Record of annual examination by Dr. Walter G. Wroblewski and follow-up work:

SACRED HEART SCHOOL

Defects found		*Defects corrected*	*Receiving treatment*
Underweight 10%	38		
Defective vision	31	7	
Defective hearing	23	3	20
Anemia	4		4

Respectfully submitted,

IRENE McAVOY, R. N.

REPORT OF SCHOOL NURSE

Nashua, N. H., December 31, 1935.

To the Nashua Board of Health,
Nashua, N. H.

Gentlemen:

I respectfully submit the following report as School Nurse in the French Parochial Schools, for the year ending December 31, 1935.

Registered	2,100
Measured and weighted	1213
Eye test given	1033
Defects found:	
Defective vision (25 wear glasses)	63
Defective eyes (15 wear glasses)	20
Defective teeth	608
Unvaccinated	51

(all were subsequently vaccinated)

Pediculosis	27
Orthopedic defects	4
Large tonsils	228
Speech defects	2
Tongue tied	1
Epilepsy	2
Skin diseases	4
Nervous disease	1
Underweight	214
I. Q. Below par	5

(3 have been examined at the mental clinic; one refused examination; and one child was taken out of school and sent to another school to be put in a special grade).

CORRECTIONS

Glasses fitted	4
Tonsillectomies	17
Teeth extractions (Dental Clinic)	40

CONTAGIOUS DISEASES

Scarlet Fever	6
Diphtheria (1 died)	2
Whooping Cough	16
Mumps	8
Scabies	1
Impetigo	2
Excluded	18
Home Visits	77

Medical inspections by Dr. Walter G. Wroblewski in the Sacred Heart College and Saint Francis Xavier School showed the following defects, and notices were sent to parents notifying them of defects found:

Heart Murmurs	15
Defective teeth	400
Large tonsils	175
Chest diseases	3
Skin diseases	4
Nervous condition	1

TOXOID

552 children including 66 at St. Joseph Orphanage were immunized against diphtheria in January.

A survey following immunization in January showed 148 children under 10 years of age were not immunized against diphtheria in our French parochial schools, the parents refused to have it done.

AUDIOMETER TESTS

Through the cooperation of the State Board of Education, 1525 children had an audiometer test.

1991 tests were given, 323 were retested once and 143 were retested twice.

Number of pupils with impairment of hearing	109
Right ear	38
Left ear	42
Both ears	27
Received medical attention	45
Defects corrected	10
Undertreatment	2

MILK

From January until April 15, 200 children received milk in the schools, through the State and Federal Relief.

CAMP

66 underprivileged children were recommended for Camp Watananock at Sunset Lake, Greenfield, N. H., and many were fortunate to be sent to the camp.

DENTAL CLINIC

Thanks to the efforts of our Board, an appropriation was made for a much needed dental clinic. This was started May 24, 1935 with Dr. Adrian J. Levesque and Dr. George O. Marion in charge. The clinic was held at the Public School Dental Clinic rooms which the Board of Education kindly let us share. The clinic was continued after school closed for the summer vacation until August 31, 1935 and was reopened October 29, 1935, after additional funds had been obtained. I contacted 227 families during the month of June and all were very willing that their children should attend the clinic.

Attendance	163
Treated	143
Refused treatment	11
Amalgam fillings	115
Synthetic fillings	17
Silver nitrate fillings	105
Extractions (Temporary 132, Permanent 18)	150
Prophylaxis	130

I also acted in the capacity of contagious disease nurse and I submit the following report:

Respectfully submitted,

CLARA L. MORIN, R. N.

Nashua Hospital Association
Report of Executive Board

To the Officers and Members of the Nashua Hospital Association:

GENTLEMEN:

In acordance with the request of your Finance Committee through your Treasurer, Mr. Charles E. Johnson, I have audited the books and accounts of your Association for the year ending December 31, 1935.

I have verified the Bank Balances, Petty Cash, Accounts Receivable, Accounts Payable, Securities on hand and Income from Securities. Satisfactory vouchers and cancelled checks were found for all disbursements and the cash receipts were properly accounted for.

An Operating Statement is given showing the details of the transactions of the year. After deducting Depreciation on Buildings and Furnishings of $7,814.66 for the year 1935, the results show a deficiency of $4,137.26 in the operation for the year.

A complete Balance Sheet attached herewith shows Assets of the Association to be $442,695.38, and the Liabilities $78,260.36, making the Net Worth $364,435.02. The deficit of $67,843.63 as shown by the above figures arises from the fact that the yearly operating revenues have not been large enough to pay the running expenses and in addition to set aside a sum sufficient for the proper Depreciation of the Buildings and Furnishings which have been charged off over a period of years to December 31, 1935.

Respectfully submitted,

CLARENCE H. WRIGHT,
Certified Public Accountant.

EXPLANATION OF DEFICIT

As of December 31, 1933, in order to meet the requirements of the U. S. Bureau of Internal Revenue and for other reasons, a Balance Sheet showing all the Assets and Liabilities of the Association was prepared and a set of double entry books was opened.

When this was done, the Total Fixed Assets were	$425,478.25
The following depreciation had been deducted:	
On Buildings	52,859.24
On Furnishings	25,895.37
Making Total Original Cost of these Assets	504,232.86
Of this amount there had been borrowed and not repaid at that date	74,000.00
Which amount must have come from Gifts and Bequests to the Hospital	430,232.86
The Net Worth on December 31, 1933 was	371,727.05
Showing a Deficit as of December 31, 1933	58,505.81
To which is added the Deficiency for 1934	5,200.56
To which is added the Deficiency for 1935	4,137.26
Showing a Total Deficit at December 31, 1935	$67,843.63

Report of City Librarian

To the Trustees of the Nashua Public Library, Nashua, N. H.:

The report of the Nashua Public Library for the year ending December 31, 1935 is herewith submitted.

Many librarians over the state and country are giving various reasons for the decline in circulation of books during the past two years. At the mid-winter meeting of the American Library Association, reports from libraries all over the country showed a decrease.

The Rochester, N. H. librarian claims that her circulation has fallen off because a large number of women in the town are so busily engaged in knitting that they have no time for reading. Others report that more people are employed while many have had appropriations cut, allowing fewer books to be purchased.

A New Hampshire city, several miles north, lost 11,000 in circulation over 1934 and from special information obtained from four other representative libraries in the state, three reported a loss and only one a very small gain. It is never pleasant to show losses, yet as one librarian expressed it, "We are getting back to normal again." Certainly the period of book inflation has subsided.

Since 1933, which was the banner year in the Nashua Library, the circulation has been dropping steadily in all departments as the following figures show. 1933—217,161, 1934—214,787, 1935—207,034. The total circulation in the adult department at the main library was 141,465, a loss of 3,637. Juvenile department, 47,732, a loss of 3,863 and at Crown Hill, 17,837, a loss of 263. This is the first time since 1931 that Crown Hill has gone below 18,000, a splendid record for this little library functioning in a minimum amount of space with its doors open only 16 hours a week.

The fiction loss over 1934 in the adult department at the main library was 5,569, with a non-fiction gain of 1,706. The juvenile department showed a loss of 3,554 in fiction and a small loss of 73 in non-fiction. The foreign circulation totalled 4,477 with a loss of 651. 125 foreign books were added during the year.

Average daily circulation in all departments, 682—loss 26. Average daily in adult department, 466—loss 13 and the largest day 856—loss 59. Average daily in juvenile department, 157—loss 12 and largest day 367—

loss 71. Average daily at Crown Hill, 59—loss 1 and largest day 178—gain 32. The percentage of non-fiction circulated in the adult department was 28, juvenile 37 and Crown Hill 27. Circulation per capita, 6.5

Books given out over the desk for reading room purposes showed a gain of 3,308 or a total of 16,135. The year has been a busy one even though the home circulation has decreased. A correct tabulation of service through research for special reference material both to individuals over the desk and telephone cannot be given or even estimated.

Money invested in periodicals makes a splendid return. The total circulation this year was 12,820, a gain of 600. This includes all departments. In circulation by classes in the adult department, literature comes first, 5,390, biography, 4,982, a gain of nearly 400, fine arts, 4,097, travel, 3,955, useful arts, 3,783, sociology, 2,466, history, 2,420, science, 1,551, philosophy, 1,235, religion, 981, general works, 442, language, 263. 719 pictures were circulated. The need of enlarging the picture collection has been emphasized each year but no assistant has sufficient tim to devote to it, a very regrettable situation.

The total number of books added during the year was 2,338. Of these 2,183 were purchased, 99 given and 56 from other sources. 307 were replaced. 1,322 were discarded, making a small gain to the library of only 1,016 or 51,760 volumes, December 31. $1,087.72 was collected in fines, about $30 under the amount last year.

A registration of all high school students was commenced in September and by the end of the year nearly 1000 active borrowers had been given new cards. There is insufficient seating capacity for these students in the reading room, particularly when they are given special school assignments necessitating the use of much reference material. No day or evening passes without students being obliged to use the Trustees' room. One evening, 93 were counted in the two main rooms of the adult department. If some of our citizens could look in upon the scene most any evening during the school year, they would get an entirely different idea about the usefulness of the public library and the building that has long since been outgrown. The total number of active borrowers in all departments is 10,243.

The Nashua Historical Project starting in April under the ERA, later changing to the WPA and the American Guide under the WPA have kept the bound volumes of the Nashua Telegraph and other newspaper files in constant use as well as the city directories, city reports, town histories and other local material. The Trustees' room has been occupied continuously by these workers and the lack of space has been felt keenly in trying to provid a certain amount of ease for those using the large, awkward volues of bound newspapers. This serpice has been gladly

given and the desk assistants have cooperated splendidly. Perhaps this may be called one of the greatest achievements in helpfulness during the year toward a definite city project.

The library has been fortunate in retaining Miss Dorothy Harris through the series of alphabetic combinations during a large part of the year. With the experience she has gained, she has become a valuable helper and it would have been impossible to carry on as efficiently without her assistance. She has done most of the book repairing, book and magazine covering, stacking books, as well as filling in at the desk or wherever necessary. All her work has been done in a quiet, efficient manner and with a very willing spirit.

Miss Kathryn Tebbetts, another Nashua girl, was assigned in April, under the ERA as a story-teller in the juvenile department and at Crown Hill for a period of about three months.

Officer Edward R. Hartwell has continued his duties during part of each evening through the school year. Conditions in the afternoon need supervision just as badly and some arrangement should be made.

A very small amount has been spent in building repairs this year, although the roof is with us always and in need of repair constantly. A promise of some WPA painting and redecorating which is much needed both inside and outside of the building has not been forthcoming thus far. No action has been taken on the removal of the vines which in their present condition cannot be called ornamental. More chairs were purchased for the reading room which makes the replacement of the original ones, used for over thirty years, nearly complete. The librarian and staff have been much gratified with the laying of battleship linoleum in the charging room. Not only does it improve the looks of the large space back of the desk but softens the tread of miles each day. The work was well done by Jeannotte Bros. in December and all the linoleum was cleaned and waxed at that time.

A 40-drawer catalog cabinet was ordered the latter part of the year from the Library Bureau to match the original cabinet which was furnished by them in 1903. This added space for catalog cards will be a great improvement over crowded conditions that have existed for a number of years.

There is nothing special to report in the activities of the children's room or at Crown Hill. The same observance of Book Week, the continuation of story hours and the instruction of classes from the various grades in junior high on the use of the library have been carried on as usual. More books are being loaned this year to different schools which is a great help for the pupils living at a distance from the library.

Groups of books have been sent as requested to the Mary E. Hunt Home and recently to the Old Ladies' Home. Early in the year, the superintendent of the Transient Camp asked for reading matter and about thirty books were sent for the use of the inmates.

A great deal is done for patrons through the inter-library loan when special books are not available in the library either because of the expense of the volumes or because of very limited circulation.

The State Library, University of New Hampshire Library, Manchester City Library, Lowell Public and Boston Public, are often called upon for the inter-loan service. Postage in both directions is paid by the persons wishing the books and the library borrowing is held responsible for their safe return. This is one of the routine duties which often calls for much clerical work before material is located. The Business Branch of the Newark, New Jersey Public Library has been very helpful when other sources have failed.

Your librarian was very fortunate in being able to attend the New York-New England Regional meeting of the American Library Association at Bolton Landing, on Lake George, September 9-14. With headquarters at luxurious Hotel Sagamore, directly on the Lake, a more beautiful spot could not have been chosen. The attendance was large with thirty representing New Hampshire. Every program was well planned and interesting, containing real help in a wide range of problems. There were few phases of library work that were not touched upon during the week.

This report must not come to a close without mentioning the continued interest in the monthly art exhibitions.

The gift of books, magazines and newspapers during the year have been very acceptable and much appreciated.

The library scrap book is a proof of the splendid publicity which the Telegram Publishing Company continues to give. Acknowledgment and thanks are due them for this courtesy.

Lists of French books have been printed in the French newspaper, "L'Impartial," through the kindness of the editor.

Prompt and efficient service has been rendered by the Police Department in getting long overdue books returned to th library.

Grateful thanks are extended to the staff for their faithfulness and loyalty and to the Trustees for their continued helpfulness and good-will.

Respectfully submitted,

CLARA E. SMITH,
Librarian.

Report of the Board of Trustees of the Public Library

To the Mayor and Board of Aldermen for the City of Nashua:

GENTLEMEN:

Following is the account of the financial transactions of your Board for 1935:

Receipts

Gen. Arthur G. Shattuck	Term expiring 1937
Rev. William Porter Niles	Term expiring 1938
Hon. Henri A. Burque	Term expiring 1939
Hon. John R. Spring	Term expiring 1940
Hon. Frank B. Clancy	Term expiring 1941
Mrs. Margaret R. Gregg	Term expiring 1942

LIBRARY STAFF

Librarian	Clara E. Smith
Assistant Librarian	Christine B. Rockwood
Head of Children's Department	Marion A. Manning
GeneralAssistant	Rachel A. Sanborn
General Assistant	Elizabeth C. Spring
General Assistant	Ida Putnam
In Charge of Crown Hill Station	Mrs. Clarence Woodbury
Janitor	Oscar F. Ballou

Respectfully submitted,

JOHN R. SPRING,
Secretary.

Report of the Board of Education

ORGANIZATION FOR 1935

FRANK B. CLANCY, *President*
EUGENE P DESMARAIS, *Clerk*

MEMBERS

Sarah M. Mercer	23 Berkeley Street	23 Berkeley Street
Dennis L. Hallisey	125 Palm Street	243 Main Street
Eugene P. Desmarais	43 Gilman Street	8 Franklin Street
Wm. Harry Weston	12 Berkeley Street	6 Concord Street

TERMS EXPIRE DECEMBER 31, 1935

Frank B. Clancy	2 Bowers Street	148 Main Street
Arthur O. Burque	19 Faxon Street	60½ Kinsley Street
Arthur J. Burelle	18 Canal Street	219 Main Street
Muriel D. Thurber	3 Swart Street	3 Swart Street

TERMS EXPIRE DECEMBER 31, 1937

Thomas J. Leonard	5 Stevens Street	142 Main Street
Donat Corriveau	45 Russell Street	148 Main Street
Stilman G. Davis	38 Granite Street	168 Main Street
Alfred C. Lacaillade	397 Main Street	8 Franklin Street

TERMS EXPIRE DECEMBER 31, 1939

Board meets regularly the last Friday of each month at 7:45 p. m.

STANDING COMMITTEES

Health—Weston, Thurber, Desmarais, Davis, Lacaillade.
Houses—Lacaillade, Burque, Thurber, Corriveau, Davis.
Instruction—Hallisey, Burelle, Mercer, Corriveau, Leonard.
Finance—Desmarais, Weston, Burque, Hallisey.

SUB-COMMITTEE

Athletics—Leonard, Weston, Davis.

SUPERINTENDENT OF SCHOOLS

Earle T. Tracey, 25 Raymond Street — Municipal Building

ASSISTANT SUPERINTENDENT

Charles H. Noyes, 25 Auburn Street — Municipal Building

SECRETARIES

M. Elizabeth St. Onge, 97 Chestnut Street — Municipal Building
Lorraine M. Morin, 6 Crown Street — Municipal Building

OFFICE HOURS

Every school day, 8:30 a. m. to 12:00 m., and 1:30 to 5:00 p. m.
Saturdays during school terms, 9:00 a. m. to 12:00 m.
Vacations, 9:00 a. m. to 12:00 m., and 2:00 to 5:00 p. m.

ATTENDANCE OFFICER

A. Lambert Burque, 19 Faxon Street — Municipal Building
Office Hours: 8.45 to 9:15 a. m., and 1:45 to 2:15 p. m.

Report of the Superintendent of Schools

To the Board of Education:

This report is the sixty-ninth in the series of annual reports by superintendents.

The materials included in this report are arranged as follows:

- I General
- II High School Data.
- III Junior High School.
- IV Fine Arts.
  - A. Drawing.
    - 1. High School
    - 2. Junior High School
    - 3. Grades
  - B. Music
    - 1. Bands
    - 2. High School
      - a. Orchestra
      - b. Vocal Music
    - 3. Junior High School
      - a. Orchestra
      - b. Vocal Music
    - 4. Grades
- V Domestic Arts
- VI Manual Arts
- VII Reading
- VIII Health
- IX Finances
- X Miscellaneous

Since 1926 school officials have been annually calling to the attention of the public and the city government the need for more adequate housing for the senior high school pupils. During this period of time another serious housing problem developed at the junior high school. At various times during the terms of office of Eaton D. Sargent and William F. Sullivan

joint committees have worked in the solution of our problem. In 1926 a survey was made by Benezet, Rundlett, Moore, and Gilman. Time has proved that every conclusion and recommendation in this survey was wrong. Had the city officials seen fit to follow the findings of this survey they would find themselves today in a very difficult position.

In 1930 two more surveys were made. The O'Neil survey was made jointly with the school officials. The other survey was made by Dr. Jesse B. Davis of Boston University. The recommendations of this last report are too well known to repeat. In brief, the recommendation was the erection of two junior high schools—one near Berube's swamp and the other at the junction of Dunstable and Robinson Roads. Once more it was conclusively proved that outsiders unfamiliar with the geography of the city and the relative density of population were unfitted to pass upon our needs.

In 1930 a joint committee was again appointed and endeavors were made to expedite building. It was the opinion of the committee that land might be procured adjacent to the present high school and a suitable building be erected to supplement the present senior high school. Some progress was made, but finally action ceased due to a controversy over the desirability of the land south in comparison to the land north. The continued depression with its attendant problems of taxation forestalled any further progress. The increased enrollment at junior high school also became so serious that it was realized that its solution was inextricably bound up with that of the senior high school.

In the last year of final term of Wm. F. Sullivan action was revived and a project was submitted to Washington for the erection of a new high school on the basis of a thirty per cent grant and a seventy per cent loan. This was approved during the first term of Alvin A. Lucier, but was rejected by the city. In 1935 the government increased its grant to 45% and more latitude was given to the operation under such a type of project. Mayor Lucier became actively interested in the needs for better housing. The project was prepared and submitted to the government for a forty-five per cent grant of six hundred thousand dollars. The project was granted and accepted by the city. Wells, Hudson, Granger were procured as architects and plans for the building were immediately prepared. Inasmuch as the Board of Education had approved the 6-3-3 plan, the proposed solution may be explained as follows:

1. A senior high school to be erected on South Common caring for the 10th, 11th, 12th years.
2. The junior high school to occupy the present senior high school plus the Quincy St. building.
3. The Quincy elementary school to be housed in the present Temple St. building.

The location of the senior high school at South Common has its opponents as well as proponents. To some the North Common with its

proximity to the athletic field would have been more desirable. However, with the greater number of pupils south of the Nashua River and with the proposed erection of a field house at North Common much of the argument is removed. Probably the most serious objection is the loss of the South Common as a playground. School officials are quite satisfied to have adequate housing and school facilities regardless of the choice of sites.

The proposed school may be briefly described as follows:

GROUND FLOOR

8 Classrooms
3 Shops
1 Mechanical Drawing room
1 Finishing room
Cafeteria and kitchen
Stockroom
1 Girls' locker and shower room
1 Boys' locker and shower room
1 Nurses' room
1 Physical Director's room
1 Men Teachers' room
1 Girls' lavatory
1 Boys' lavatory
Boiler room
Gymnasium
Auditorium

First Floor

17 Classrooms
Principal's offices
Library
Sickroom
Women teachers' room
Girls' lavatory
Boys' lavatory

Second Floor

14 Classrooms
1 Double sized study hall
2 Bookkeeping rooms
2 Typewriting rooms
1 Office practice room
1 Girls' lavatory
1 Boys' lavatory

Third Floor

2 Physics laboratories
2 Chemistry laboratories
1 Biology laboratory
1 Art room
1 Cooking room
1 Domestic Arts unit

HIGH SCHOOL DATA

The following are some facts pertaining to the Nashua High School for the year 1935.

Of the class entering last September two-thirds came from the Junior High, 108 from the parochial schools, 47 from Hudson. New pupils who entered the upper classes numbered 29. Total enrollment to date is 1650 —divided as follows:

	IV	III	II	I	Total	%
College Preparatory....	82	68	75	90	315	19
General	65	74	72	65	276	17
Commercial	113	131	185	275	704	43
Domestic Arts.....	38)	56)	64)	145)	303)	18)
Manual Arts	9) 47	19) 75	11) 75	13) 158	52) 355	3) 21

The number in the different subjects is as follows:

English	1630
Civics	453
Algebra I	359
U. S. History	331
History II	315
French	306
Typewriting	298
Shop	296
Business Training	250
Bookkeeping	246
Economic	240
Geometry	232
History III	207
Commercial Law & Sociology	191
Latin	187
Chemistry	180
Sewing	166
Biology	142
Stenography	136
Physiology and Nursing	99
German	97
Physics	84
Cooking	81
Algebra II	78
Home Organization	76
Art	65
Office Practice	53
Trigonometry	15

During the seventeen years of occupancy of this building the college preparatory pupils have decreased 18% while the decrease in pupils taking Latin has dropped from 25 to 11% and the decrease in seniors taking Latin has dropped from 13 to 3%. While the number of seniors taking Latin is small the decrease is not so great as the decrease in college preparatory pupils. During this same period the non-college preparatory pupils have increased from 63 to 81%.

These facts are shown in the data which follow and also attention is forcibly called to mind that the character of our school population has constantly been changing.

Year	% School Col. Prep.	% Seniors Col. Prep.	% School in Latin	% Seniors in Latin	No. Pupils
1919-20	37	40	25	13	451
1920-21	32	38	27	15	500
1921-22	31	40	25	12	643
1922-23	32	40	24	18	736
1923-24	34	40	24	14	769
1924-25	34	34	22	9	841
1925-26	36	40	23	14	833
1926-27	38	45	25	18	850
1927-28	30	36	22	19	940
1928-29	29	39	20	13	988
1929-30	26	34	20	11	1059
1930-31	25	31	18	10	1165
1931-32	25	31	16	6	1257
1932-33	23	32	16	11	1503
1933-34	22	28	15	8	1564
1934-35	21	31	13	5	1583
1935-36	19	25	11	3	1650

At the beginning of the school year preparation was made for 1725 pupils, 1591 entered the first day and to date 1650 have entered.

49 went to college from last year's class.
5 went to normal school from last year's class.

The results of the marks for the first six-weeks for the Freshman Class:

		I. Q.			English	
Median rank	F's	High	Median	Low	Median	F's
79.2	7.2%	129	92	71	78.2	8.7%

The following was taken from the last report of the New England College Entrance Board. "New England College Entrance Board sent messages of congratulations to nine schools that were first on the approved list of the Board, in 1903, and have remained on the list continually without ever receiving a warning from the Board." Nashua was one of the nine schools.

Gains during the school year 1934-1935 shown by O'Rourke Standardized Tests in English Usage.

	Freshmen	Sophomores
Form M (Nov. 1934)	26.13 (Norm 33.21)	33.63 (Norm 40.14)
Form O (May 1935)	39.70 (Norm 36.09)	45.33 (Norm 44.23)
	Juniors	**Seniors**
Form M (Nov. 1934)	42.00 (Norm 46.88)	48.74 (Norm 51.77)
Form O (May 1935)	51.20 (Norm 49.28)	57.27 (Norm 54.31)

The entering class of 1939 which was given Form O on October 9, 1935, made an average of 29.1 (Norm 33.21).

Certain other figures in the standardized test results indicate the tremendous difference in English ability among students in the same class. Form O of the O'Rourke test contains 75 items; as indicated above the normal spring average for Grade 9 is 36.09, and for Grade 12, 54.31 On this test the lowest freshman grade was 5, but the highest was 69; the lowest senior grade was 21, but the highest was 75. Moreover, the highest 20% of the freshman class made scores higher than the lowest 10% of the senior class.

Likewise in October, 1935, by use of a standardized spelling test throughout the school we discovered that 146 of the 537 freshmen already had 12th grade spelling ability, whereas 32 seniors had less than 9th grade spelling ability, and 99 freshmen had less than 7th grade spelling ability.

In an effort to solve the problems arising from these enormous differences in ability, English classes are now as carefully sectioned by ability, as is possible under the crowded double session program, and in the so-called "slow" sections in all four years of the work, the curriculum is modified to suit the mentality and needs of the group. In addition remedial groups have been organized for students with deficiencies in previous English work or with special disabilities which threaten failure in advanced work. Through the head of the department they are reporting for one or more extra periods of help weekly, and according to the exigencies of the schedule, divided into groups averaging 8 or 10 in number. The emphasis in all these groups is on achieving minimum standards of correctness, not on the repetition of particular class work in which failure occurred. Many progress rapidly under the individual guidance and encouragement possible to give in the small groups, and as fast as these are discharged as "cured", their places are taken by others on the border line of failure.

Last February some 60 students shown by use of the Ayres Scale to be very deficient in spelling were grouped into 5 spelling classes which met voluntarily once a week to pursue a uniform course of 12 lessons with special emphasis on phonetics. They are included in the figures below, which indicate the scope and effectiveness of the work. Miss Doe carries the brunt of all this remedial work. Last year Miss Cramer and Miss McWeeney assisted her, and this year Miss Cramer and Miss Barnes are assisting.

REMEDIAL WORK 1934-1935

Total Enrollment

	Freshmen	Sophomores	Juniors	Seniors	Total

	424	395	819	11	10	21	413	385	798

Enrollment December, 1934..... 799
Enrollment " 1933..... 784
Enrollment " 1932..... 692

Discharges—September 9 to December 12, 1935:
9 pupils left school to seek employment
10 pupils transferred to other schools

1 pupil left school because of ill health
1 pupil was excused from attendance by the New Hampshire State Commissioner of Education

21 total discharged

A special effort has been made by our guidance department to discourage pupils who become 16 years of age from leaving school. Ideally, the school should satisfy the needs of each individual pupil, and the degree to which this is successfully can be measured to some extent by the number of pupils who terminate their school experience before completing the twelve grades of the school system.

Graduates in June, 1935—413.	Entered High School in Sept. 1935—362
Graduates in June, 1934—348.	Entered High School in Sept., 1934—302
Graduates in June, 1933—324.	Entered High School in Sept., 1933—278
Graduates in June, 1932—378.	Entered High School in Sept., 1932—334

Per cent of junior high school graduates entering high school:

	Nashua	*State of N. H.*
Class of 1935	87.6	——
1934	86.7	88.9
1933	85.8	89.1
1932	88.3	88.5

12.4 per cent of the class of 1935, or 51 pupils, did not enter high school in September, 1935. Experience in other cities has shown that this mortality between grades VIII and IX may be reduced when our schools eare organized on the 6—3—3 plan. It should be noted that, over a period of years, our mortality has been consistently higher than that of the state as a whole. Six of the 51 pupils referred to above, entered secondary schools other than Nashua High School.

Changes in Personnel of Staff

1. Mr. Robert F. Perry—resigned to accept position in Reading, Mass.
2. Miss Eda B. Hoitt—transferred to senior high school.
3. Miss Fannie C. Shattuck—retired.
4. New members of staff:
   Miss Gertrude Cohen—history, grade 8
   Miss Ruth Ingraham—home economics, grade 8
   Mrs. Marion Stylianos—remedial work, grade 7
   Mr. Murray J. Wright—principal.

Program of Studies

No changes in our program of studies have been made since 1932. It is liberal in its offerings and apparently meets the needs of our pupils as completely as the physical facilities of our school building will permit.

There is a definite trend in junior high school programs toward an integrated or unified social science course. The feasibility of unifying our geography course and United States history course should be seriously considered.

Two other matters for which provision should be made, if our program is to be a well-rounded one, are physical education and character education.

Testing Program

An analysis of the classification cards of all pupils entering grade 7 from the Nashua public schools during the past two years reveals the following facts:

Intelligence Quotient—Standard 100

	Present 7th Grade	Last Year's 7th Grade
Q3	108-140	111-136
M	96	100
Q1	60-83	63-86

Grade Equivalent in Arithmetic Computation—Standard 7.0

	Present 7th Grade	Last Year's 7th Grade
Q3	8.9	10.
M	7.8	9.3
Q1	6.6	7.9

Grade Equivalent in Arithmetic Reasoning—Standard 7.0

	Present 7th Grade	Last Year's 7th Grade
Q3	7.8	Not computed
M	7.1	" "
Q1	5.9	" "

Grade Equivalent in Reading—Standard 7.0

	Present 7th Grade	Last Year's 7th Grade
Q3	7.6	7.1
M	6.4	6.6
Q1	5.7	6.3

Grade Equivalent in Spelling—Standard 7.0

	Present 7th Grade	Last Year's 7th Grade
Q3	8.1	8.1
M	7.0	7.2
Q1	5.7	6.3

Grade Equivalent in Language Usage—Standard 7.0

	Present 7th Grade	Last Year's 7th Grade
Q3	8.9	8.5
M	7.6	7.4
Q1	5.9	6.2

Pupils coming to us from the public schools are very well grounded in arithmetic computation and language usage.

The Median I. Q. of our present seventh grade is lower than that of last year's group and considerably lower than that of New Hampshire high school seniors.

A battery achievement test will be administered in February to all pupils in grades 7 and 8. The results of this test will determine the focal points for classroom instruction during the second semester, as well as measure the individual pupil's progress since entering this school.

An intelligence and achievement test is administered to each pupil entering this school from out-of-town schools and parochial schools.

Guidance and Personnel

The work of any personnel department is most specifically concerned with the individual. With the increased enrollment in our Junior High School and the subsequent increase in the complexities of school life, a need was presented for some center for the adjusting of the many problems of our adolescents.

The function of this department is chiefly diagnosing and adjusting. To this end there must be a coordination of efforts of all the agencies concerned with the welfare of the individual child, so the greatest amount of help can be obtained.

In the school system, we look to the nurses, doctors, dentists, and oculists of the health department; to the attendance officer; and to the principal, secretary, and classroom teachers of our building. Outside, we turn to the various social agencies of our city; of which the Community Council has given invaluable assistance.

The greatest part of the counselor's time is spent in pupil conferences. These are arranged to assist the individual concerning some problem that is educational, vocational, social, healthful, moral, disciplinary, curricula, extra curricula.

In addition, conferences are held with representatives of all the above mentioned cooperating agencies. There is concurrently the detail work of keeping records, making recommendations, etc.

During the school year 1934,35, with very little regular time allotted, over 600 pupil conferences were held.

The need for an adequate guidance program will be increasingly felt under the proposed 6-3-3 organization.

The School Library

The library is an invaluable part of our school. An interesting contest, a worth while project, an educational exhibit are some of the means used to attract pupils to explore its books and magazines. The atmosphere

of the library is always conducive to purposeful reading and pleasurable experiences. Daily newspapers, several magazines, and attractive books encourage reading for pleasure.

The Nashaway Woman's Club, as well as many individuals, have been liberal contributors to our library.

When boys and girls voluntarily spend some of their leisure time in the school library, I believe we can honestly say that desirable habits and good character are being developed.

Assemblies

Every two weeks an assembly is held and each teacher is responsible for the program of at least one period. A special effort is made to avoid duplication of pupils who take part in the assemblies.

Clubs

Club activities are carried on each week. An attempt is made to enroll every pupil in the club of his choice. There are 14 clubs for grade 7 and 15 for grade 8.

Physical Exercises

Provision is made for physical exercises at the end of the second and the eighth periods of each day. Pupil leaders direct the exercises.

Traffic

There are two traffic squads composed of girls and boys from grade 7 and grade 8. Their duties are to direct traffic in and out of the building, and supervise the passing between classes.

The Broadcaster

The school publication, *The Broadcaster,* is issued four times a year at ten cents a copy. Each full time English teacher acts as literary advisor to a staff composed of pupils who edit the issue.

Athletics

After a lapse of a few years, the school is again offering the boys an opportunity to play basketball. Division baseball teams are organized each spring.

IV-a

ART

High School

It is the purpose of the Art department to give conscientious and practical instruction in as many branches of Fine and Commercial Art as possible, with more stress on the Commercial, as only a small percentage of our students enter Art Schools.

Self expression is encouraged and an attempt is made to stimulate not only an appreciation of fine artistic values but to so train each pupil that he may do worthwhile things during his leisure time.

Limited enrollment enables each student to reiceive the personal attention and criticism that is so vital to success in Art work.

Courses given are as follows:

Drawing and Painting
Illustration
Theatre Craft and Design
Costume Design and Fashion
Illustration
Commercial Illustration and Advertising Design
Textile Design
General Design applied to Crafts.

A very successful exhibition of the year's work was held the latter part of May in the City Auditorium. This was a joint exhibition with the Domestic Arts department and it proved very enlightening to our many guests.

During the year the Art department cooperated with the English department in making Book Week and Better Speech Week posters and in staging the Senior Play; with the Domestic Arts department in redecorating the Teachers' Lunch Room; with the Junior and Senior classes in decorating the auditorium for the proms; with the Music department in decorating the stage for the special Christmas program; with the Tattler in making all the cuts for the year's publications; with the various clubs in making dozens of posters; with the Commercial department in making desk sets. In short, the Art department is becoming a very vital part of the high school.

Junior High School

The Art program in the Junior High School is creative art work. Here, a pupil increases his judgment and taste in regard to what constitutes beauty. Through the grades he has learned the rules of technique, hard and fast rules regarding color and method, and also the very necessary quality of being able to follow and receive instruction and directions accurately. Now, the Junior High School is what might be termed the "blossoming stage". Here, the work is decidedly creative, and naturally the very talented child will discover that he has talent. For this particular child, we have the "Workshop". This large room has been decorated by the students. A mural in oil four by forty feet, has been painted on one wall. This is probably the largest project that has been attempted during

the entire year. The mural depicts children walking through fields and also several groups reading and playing. The students assume entire responsibility of this room. Here, the pupils work with paint, oil, charcoal and pastel. The posters include landscape, architecture, life, still life, marines and comics. If a student attends the regular afternoon session, it is found that very often he will spend his morning in The Workshop.

The regular classes are conducted in the adjoining room. This room is also decorated and gives a very attractive appearance. Here, design plays an important part. This is entirely creative. Designs are made for wall paper, textiles, cards and jewelry. All the mediums are used in this work. Lettering, monograms and silhouettes also fit into the program.

This course trains the individual for a more profitable and enjoyable use of leisure time, and the natural love for beauty is kept alive. Visitors are very welcome at any time.

Grades I—III

In the first three grades color, design, facial proportions and figure drawing is studied. This is accomplished by means of cut paper and free hand drawing and coloring. Simple craftwork is done in connection with our seasonal projects.

In addition to this the fourth grade is taught how to use and care for water colors. One large project is done during the year. This year illustrated maps were made correlating the art work with geography.

Grades IV—VI

The grade school program consists of many exercises in color,—hue, tone, shade, and combinations of colors. These sometimes deal with home, clothing or commercial projects. The use of water color, handling of implements and all other tehnique of painting is thoroughly reviewed many times. The children are acquainted with the supplies that they use in their lessons. To appreciate particularly attractive paper, they are told approximate value and price of such papers.

Lettering is stressed as it is practical and also cultivates neatness. This latter quality is something which the art program strives to attain.

Pastels have been made for holidays and also for various events, such as Education Week and Book Week.

IV-b
MUSIC

The Bands

In general, High School Bands have been looked upon almost entirely as a general utility medium of public school music. They have been usually used for pep meetings, entertainments, community affairs and athletic games, with no other objective than to create enthusiasm.

The Nashua Band does not function with the above objectives, although the band contributes to these activities.

The phase of band work that is stressed is the treatment of the band as a dignified organization, capable of lofty musical ideas with tone quality and attaining the same ends as the chorus or orchestra.

There is no need at this time or in this age to present any argument to justify the place of the bands in high school system. Our program is a double period out of school time. We have also extra rehearsals during the year which if added up would show at least twice the time that the program requires.

The aims and objectives of the Bands which have made for success are listed below:

A. *Aims*
- (1) Good tone quality
- (2) Perfect intonation
- (3) Good rhythm
- (4) Accuracy of reading
- (5) Expressive performance.

B. *Objectives*
- (1) Social Objectives
  - a. Knowledge of events, persons, customs that have prompted and determined our music literature. Music that reflects the character and spirit of times.
  - b. Knowledge which functions directly in the development of disposition and discovery of abilities. Present day class instruction has brought to attention many cases of unusual musical ability.
  - c. Knowledge useful in the control of life situation.—
    - aa. Friendships from groups participation. Development of good citizenship, unselfish giving of extra time to civic occasions when called upon for instrumental needs.
    - ab. Development of a sense of responsibility.
  - d. Correlation with art, political and literary history.
- (2) Vocational Objectives
  - a. Acquiring fruitful knowledge. Skill acquired upon instruments constitutes valuable vocational training.
  - b. Acquiring right habits and skills,—
    - aa. Correct technique
    - ab. Ability to interpret musical terminology
    - ac. Skill in ensemble playing
    - ad. Growth in musicianship
    - ae. Appreciation of the value of effort.

(3) Leisure Time Objectives
   a. Wholesome recreation
   b. Emotional outlet
   c. Develops taste and appreciation of the fine things of life.
   d. Provides means of self entertainment
   e. Is a fine mental stimulus
      Reading at sight develops alertness, accuracy and precision.
   f. Develops confidence and self control
   g. Creates a desire for further knowledge and appreciation of music.

C. *Organization*
   (1) Each school maintains two bands;—a training band and an advanced band
   (2) Each student is encouraged to study privately.
   (3) The bands rehearse a double period each week, plus extra rehearsal for any special occasion of public appearance.

The Nashua Boys' Band composed in the previous years of (working boys out of school) and those in school has just completed its cycle. Conditions have changed and there have been no applications from out of school boys, so the band is only composed of school boys at the present time.

As we begin a new cycle, several excellent players graduate, their places being taken by boys promoted from our training band, called the Junior Band.

HIGH SCHOOL

The Orchestra

The orchestral forces in the High School are the result of careful development of the players in the Junior High.

The High School orchestra is composed of the upper class instrumentalists and the Freshmen. There are rehearsals two periods a week on the school program plus many outside of school rehearsals in preparation for special musical events. A group of advanced, and more talented players rehearse on extra time for the performance of advanced musical literature.

This year our orchestra is the largest and more balanced of any previous year. As usual it plays at each assembly and high school plays and other routine functions of the school.

This year it will give its annual concert.

In May several of the players will be eligible for the All New Hampshire High School Symphony Orchestra which will play its seventh annual symphony concert.

The High School orchestra this season has several outstanding soloists who will be heard from in the years to come.

HIGH SCHOOL

Vocal Music

The vocal music in high school is elective. The program contains a freshman chorus of over one hundred who meet one period per week in the study of four part music. Care is taken of the tone production and vocal expression. A large repertoire of part songs are sung. Even in the large group those of exceptional vocal talent are noted and opportunity given them.

The upper classes in music are divided in two groups for economic reasons (if taken in one group, it would require twice the number of copies of music we have on hand). Advanced choral part singing is performed by this group. Special attention is given to voice production in each quality and range, i. e. Soprano I and II Alto I and II Tenor, Baritone and Bass ranges.

The Glee Club is composed of members of the choruses who are especially talented vocally, reading the part well and with better than the average tone production.

The Glee Club on special occasions has had a few "in school" rehearsals. We have also rehearsed this troup in two evening rehearsals, the attendance being 90 per cent.

The upper class chorus elective group is about three hundred (300) in membership.

JUNIOR HIGH SCHOOL

The Orchestra

Our specific objectives in the Junior High:—

(1) To encourage the special interest, which pupils of the adolescent age have in musical instruments

(2) To motivate private instrumental study

(3) To stimulate a spirit of o-operation and develop a desire to contribute one's ability for the service of others.

(4) To improve, develop and prepare players for high school orchestra.

We have two orchestras in Junior High. The seventh grade orchestra, and the eighth grade orchestra.

The orchestras rehearse separately in club periods. They contribute to the assemblies and special occasions. There are several players of outstanding ability and talent. The orchestras are trained personally by the director of music.

JUNIOR HIGH SCHOOL

Vocal Music

The *seventh grade* is divided into six classes of an average of sixty pupils (about) per class. These classes contain in total the entire seventh grade and are taught personally by the Director of Music. Due to the conditions it is impossible to have smaller ideal seventh grade class numbers.

There is urgent need of reclassification of pupils so that groups studying together in the same classes may be more nearly homogeneous as to musical talent and musical accomplishment than obtains at present. Such classification would enable me to adjust both music content and teaching methods to the composition of the respective groups. In short we have pupils studying sight reading and attendant theory in the seventh grade who have never gone through the methods of music reading in the previous grades and naturally cannot begin at that point.

Our course of study adapted to our needs in the Junior High singing and appreciation course is parallel to the Standard Course adopted by the Music Supervisors' National Conference.

The eighth grade music in Junior High this year is elective. About sixty per cent elected the course in vocal music and music appreciation. The aims and objectives of the previous years are continued and advanced in this grade. The pupils are prepared for four part work in high school.

GRADES

Music in the elementary grades has been under the supervision of Miss Marion A. King. The regular course of study has been followed this year. Miss Crouse's class is taking the radio music appreciation course offered by Walter Damrosch every other Friday morning.

On January 28, a selected group of boys and girls numbering approximately 200 presented an operetta "Polly Make-Believe". In presenting this operetta the Music Department had the co-operation of the Art, Manual Training and Domestic Arts Departments.

On Christmas Eve a group of 50 boys and girls from the fifth and sixth grades of the city sang carols around the lighted tree on the library lawn.

V
DOMESTIC ARTS

The enrollment of the classes is as follows:

Senior High School:

72	Seniors taking Home Organization	5 periods per week
93	Juniors taking Physiology and Nursing	5 " " "
89	Sophomores taking Foods and Nutrition	8 " " "
183	Freshmen taking Textiles and Clothing	9 " " "

Junior High School:

186 Eighth Grade girls—half year foods—half year clothing
3 periods per week

209 Seventh Grade girls—half year foods—half year clothing
3 periods per week

57 Eighth Grade girls elected 3 extra periods per week in Domestic Arts.

All classes in this department have carried on their regular work and have met all state requirements.

In January this department met the request of the Music department for costumes to be used in an Operetta. The clothing classes under the direction of their instructors produced eighty costumes giving an opportunity for pupils, instructors, and directors to work together to make a school affair a success.

In February the Sophomore Foods Classes prepared and served refreshments to two hundred and fifty members of the Nashaway Woman's Club. In March the department acted as hostess to the Merrimack Valley Home Economic Teachers Association. Miss Lillian E. Hartwell as president of this group planned an interesting program for the fifty teachers who attended.

In May the Art Department and this department held an exhibition in the City Auditorium which was attended by hundreds of interested citizens of the Community and surrounding cities and towns.

Again the department worked on a school project, the making of forty surplices for the Christmas Assembly at the Senior High School.

The girls in the High School Home Economics Classes have done their part in Community service by sending baskets of food to ten families at Thanksgiving and a collection of clothing and toys to less fortunate children at Christmas.

As usual the Junior High School girls made their graduation dresses from the Nashua Mills percale the price ranging from sixty-five cents to one dollar and a half depending upon accessories used.

Two boys' clubs in Camp Cookery have been formed this year in the Junior High School. Building Better Bodies is the underlying objective of this course, but lessons in First Aid and Care of Clothing will be introduced during the year.

VI

ENROLLMENT

Our present enrollment is the following:

Senior High School		*Junior High School*	
Freshmen	143	Seventh Grade	220
Sophomores	63	Eighth Grade	193
Juniors	49	Specials	38
Seniors	46		
Total	301	Total	451

GRAND TOTAL 752

There has been a slight change in the Courses. This year we have tried pattern-making in the freshman year and to date the results have been very satisfactory. Cabinet-making will be taught in the Sophomore year. One of the chief reasons for making this change was that the freshman classes are younger than in former years.

It was necessary to divide the freshman class taking the shop work during the 7th and 8th periods into three divisions. One division takes drawing and two divisions take shop work. It also was necessary to use the Quincy Street grade shop for the second division in wood-working. This is the first year that it has been necessary to use two wood-working shops. Under our old plan of giving cabinet-making in the freshman year, it would have been impossible to use the grade shop in Quincy Street School for this work without purchasing new power-machines, and enlarging the shop.

During the year, we have done a great amount of work for the school system. A few of the larger jobs are as follows: The staging of Miss King's Operetta—Electrical wiring for the Junior Prom decorations—Christmas decorations for the High School assembly—Staging of the Senior Play—several rug looms for the Household Arts department. This work would mean a great deal more if a dollar and cents value were placed on the different jobs.

VII

READING

The work in reading in the elementary grades has been under the direct supervision of Miss Alice Trow. In addition to the work in the primary grades of former years, Miss Trow took over the supervision of the 4th, 5th and 6th grades. I quote from Miss Trow's report as follows:

"It is interesting to note how closely the method of procedure in the teaching of reading in these middle grades resembles that which is used in the lower grades—just a constant reviewing and enlarging of the same fundamental principles. Many of these teachers are not acquainted with

any form of phonetic analysis and I have been able to assist them so that they may carry on our phonetic way of attacking new words.

"These visits have been of greatest value to me as I find there very definite things that we may work for in the lower grades.

"Provision has been made this year for more diagnostic and remedial work. At Quincy Street School a special teacher is working with a few retarded children. She takes them individually or in groups as the needs require. Special books with work books have been provided which are invaluable in this corrective work.

"At Palm Street School a similar plan is being carried on and it is hopes that many of these boys and girls will go back to their respective grades able to do average work another year.

"One of the aims this past year has been an attempt to unify as much as possible the work in the different schools.

"Another aim has been to stimulate a permanent interest in reading. Children have been encouraged to take books from the library. We deeply appreciate the books which have been sent from the children's department of the Public Library to several of our schools where distances are so great that children cannot use the library freely. We also appreciate the new sets of books which have been bought during the year. These modern books are so attractive that, if properly used, they cannot help but add interest.

"Early in December Miss Mary Elliff, one who has had a wide experience in the teaching of reading, gave a very worthwhile talk to our teachers on new tendencies in reading."
